

Board Report

File #: 2016-0797, File Type: Resolution

Agenda Number: 9.

**REVISED**  
**FINANCE, BUDGET AND AUDIT COMMITTEE**  
**NOVEMBER 16, 2016**

**SUBJECT: PROPOSITION C BONDS**

**ACTION: AUTHORIZE COMPETITIVE SALE OF BONDS**

**RECOMMENDATION**

ADOPT a resolution, Attachment A, that:

- A. AUTHORIZES the **competitive sale of Prop C Senior Lien Bonds (the “2017 Prop C Bonds”)** to finance capital projects in one or more transactions through June 30, 2017;
- B. APPROVES the forms of Notice of Intention to Sell Bonds, Notice Inviting Bids, Supplemental Trust Agreement, Continuing Disclosure Agreement and Preliminary Official Statement, on file with the Board Secretary all subject to modification as set forth in the resolution;
- C. AUTHORIZES taking all action necessary to achieve the foregoing, including, without limitation, the further development and execution of bond documentation associated with the issuance of the 2017 Prop C Bonds; and
- D. REAFFIRMS AND UPDATES the Reimbursement Resolution approved by the Board on April 26, 2016 to reflect that the amount of the 2017 Prop C Bonds may be up to \$500 million and reaffirms the intention that a portion of the proceeds of the 2017 Prop C Bonds will be used to reimburse expenditures made prior to the issuance of the 2017 Prop C Bonds.

(REQUIRES SIMPLE, SEPARATE MAJORITY VOTE)

**ISSUE**

The 2017 Prop C Bonds, with a par amount not to exceed \$500 million of fixed rate bonds, will fund or reimburse LACMTA for Prop C eligible capital projects and expenditures and refinance commercial paper, the proceeds of which financed such costs. We want to obtain the funds needed for ongoing, planned and completed transportation projects before interest rates move higher.

**DISCUSSION**

The Debt Policy provides guidelines for new money financings that may be long-term or short-term. Prop C new money bond issues are permitted to provide funding for eligible expenditures on highway, commuter rail, bus and rail capital projects.

The 2017 Prop C Bonds will be issued using a competitive sale process whereby prospective underwriters bid for the bonds on a selected sale date. The 2017 Prop C Bonds will be sold to the underwriter offering the lowest true interest cost. In the event that bids do not meet our criteria, all bids will be rejected.

The 2017 Prop C Bonds shall not be outstanding for more than 31 years. The 2017 Prop C Bond issue will utilize a cash funded debt service reserve fund (“DSRF”) and will not have any capitalized interest. Under the Supplemental Trust Agreement associated with the recent Proposition C Series 2016-A Bonds (the “2016-A Bonds”), the Trust Agreement was amended to eliminate the DSRF requirement for the 2016-A Bonds and any future Prop C Senior Lien Bonds (including the 2017 Prop C Bonds) once 60% of all of the outstanding Prop C Senior Lien bonds are issued under the Amended Trust Agreement. When the amendment becomes effective, LACMTA can elect to eliminate the DSRF for the Prop C Senior Lien Bonds starting with the 2016-A Bonds. As the DSRF requirement decreases, the cash released from the DSRF will become available to pay for Prop C projects or to pay Prop C debt service as approved in writing by nationally recognized bond counsel. Following issuance of the 2017 Prop C Bonds, an estimated 35% of the outstanding par amount of Prop C Bonds will have been issued under the Amended Trust Agreement.

### **DETERMINATION OF SAFETY IMPACT**

Approval of this report will not impact the safety of Metro’s patrons or employees.

### **FINANCIAL IMPACT**

The costs of issuance for the 2017 Prop C Bonds will be paid from proceeds of the financing and will be budget neutral. Funding for the new money bond principal and interest expense for this financing will be included in future budgets as follows: bond principal, account 51101 and bond interest, account 51121.

### **ALTERNATIVES CONSIDERED**

The Board could defer the issuance of the 2017 Prop C Bonds to a later time or indefinitely. This is not recommended because the bond proceeds are needed to pay or reimburse Project expenses. Additionally, Federal Reserve Bank actions and other market and economic conditions may push interest rates higher thus making it more expensive to complete projects or refinance commercial paper, the proceeds of which were used to pay Project expenses.

### **NEXT STEPS**

- Develop bond issuance documentation
- Obtain credit ratings
- Distribute the preliminary official statement and Notice Inviting Bids to prospective

---

underwriters and potential investors and publish Notice of Intention to Sell Bonds

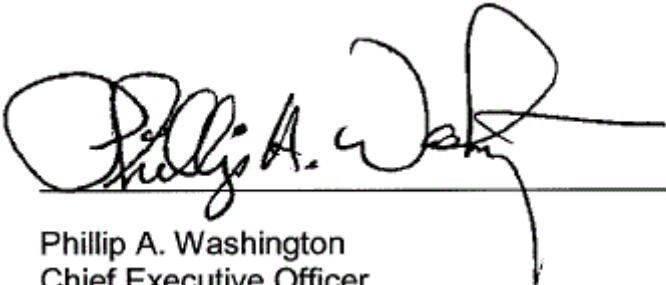

- Receive electronic bids from underwriters
- Finalize bond documentation and deliver the 2017 Prop C Bonds

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS (THE “BOARD”) OF THE LOS ANGELES COUNTY METROPOLITAN TRANSPORTATION AUTHORITY, AS FOLLOWS:

1. **Findings.** The LACMTA hereby finds and determines that:

(a) The issuance of the Bonds to finance and refinance (through the repayment of commercial paper) the Projects, to fund or make provision for one or more reserve accounts (as and to the extent determined by a Designated Officer) and to pay the costs of issuance related to such Bonds is in the public interest.

(b) Under the provisions of Ordinance No. 49, all of the Pledged Taxes are revenues of the LACMTA available for rail, bus and highway transit purposes and are available to be and are, by the terms of the resolutions and the Trust Agreement under which the Prior Senior Lien Bonds were issued, pledged to secure the Prior Senior Lien Bonds and are pledged to secure the Bonds, and, by this Resolution, such pledge is reaffirmed.

(c) The provisions contained in the Trust Agreement, as previously amended and supplemented, and to be set forth in one or more Supplemental Trust Agreements are reasonable and proper for the security of the holders of the Bonds.

2. **Issuance of Bonds.** The Board of the LACMTA hereby authorizes the issuance of one or more Series of Bonds from time to time for the purpose of (a) financing or refinancing (through the repayment of commercial paper) the Projects; (b) funding or making provision for one or more reserve accounts as and to the extent determined by a Designated Officer; and (c) paying the costs of issuance related to such Bonds; *provided, however*, that the True Interest Cost (as defined below) of each Series of Bonds shall not exceed 5.00% as of the date of sale of such Series of Bonds, as such shall be calculated by the Treasurer of the LACMTA. The LACMTA hereby specifies that the aggregate principal amount of all Series of Bonds shall not exceed \$500,000,000. The LACMTA hereby specifies that each Series of Bonds shall not mature later than 31 years from their date of issuance. The Chief Executive Officer of the LACMTA, any Chief Financial Officer of the LACMTA, any Treasurer of the LACMTA, any Assistant Treasurer of the LACMTA, or any such officer serving or acting in an interim capacity, or any written designee of any of them (each, a “Designated Officer”), acting in accordance with this Section 2, are each hereby authorized to determine the actual aggregate principal amount of each Series of Bonds to be issued (not in excess of the maximum amount set forth above) and to direct the execution and authentication of each such Series of Bonds in such amount. Such direction shall be conclusive as to the principal amounts hereby authorized. As used herein, the term “True Interest Cost” of the Bonds shall be the interest rate (compounded semiannually) necessary to discount the debt service payments from their respective payment dates to the dated date of the Bonds and to the principal amount, and premium or discount if any, of the Bonds. For the purpose of calculating the True Interest Cost, the principal amount of Bonds scheduled for mandatory sinking fund redemption as part of a term bond shall be treated as a serial maturity for such year. The calculation of the True Interest Cost shall include such reasonable assumptions and methods as determined by the Treasurer of the LACMTA.

3. **Terms of Bonds.** The Bonds shall, when issued, be in the aggregate principal amounts and shall be dated as shall be provided in the applicable Supplemental Trust Agreement. The Bonds may be issued as serial bonds or as term bonds or as both serial bonds and term bonds, all as set forth in the applicable Supplemental Trust Agreement. Interest on the Bonds shall be paid on the dates set forth in the applicable Supplemental Trust Agreement. The Bonds shall be subject to redemption at the option of the LACMTA on such terms and conditions as shall be set forth in the applicable Supplemental Trust Agreement. The Bonds shall also be subject to mandatory sinking fund redemption as and to the extent set forth in the applicable Supplemental Trust Agreement. Payment of principal of, and interest and premium, if any, on the Bonds shall be made at the place or places and in the manner provided in the applicable Supplemental Trust Agreement.

Execution and delivery of one or more Supplemental Trust Agreements, which document contains the maturities, interest rates and the payment obligations of the LACMTA within parameters set forth in this Resolution, shall constitute conclusive evidence of the LACMTA's approval of such maturities, interest rates and payment obligations.

4. **Pledge of Pledged Taxes.** The Pledged Taxes are hereby irrevocably pledged in accordance with the terms of the Trust Agreement to secure the Prior Senior Lien Bonds, the Bonds and any additional bonds which may subsequently be issued under and secured by the terms of the Trust Agreement. Except for the Prior Senior Lien Bonds, the LACMTA hereby confirms that it has not previously granted any prior or parity interest in such Pledged Taxes, and the LACMTA hereby agrees that, except as permitted by the Trust Agreement (as amended, in accordance with its terms), it will not, as long as any of the Bonds remain outstanding, grant or attempt to grant any prior or parity pledge, lien or other interest in the Pledged Taxes to secure any other obligations of the LACMTA.

5. **Special Obligations.** The Bonds shall be special obligations of the LACMTA secured by and payable from the Pledged Taxes and from the funds and accounts held by the Trustee under the Trust Agreement. The Bonds shall also be secured by and be paid from such other sources as the LACMTA may hereafter provide.

6. **Form of Bonds.** The Bonds and the Trustee's Certificate of Authentication to appear thereon shall be in substantially the form set forth in the applicable Supplemental Trust Agreement, with such necessary or appropriate variations, omissions and insertions as permitted or required by the Trust Agreement or the applicable Supplemental Trust Agreement or as appropriate to adequately reflect the terms of such Bonds and the obligation represented thereby.

7. **Execution of Bonds.** Each of the Bonds shall be executed on behalf of the LACMTA by any Designated Officer and any such execution may be by manual or facsimile signature, and each bond shall be authenticated by the endorsement of the Trustee or an agent of the Trustee. Any facsimile signature of such Designated Officer(s) shall have the same force and effect as if such officer(s) had manually signed each of such Bonds.

8. **Approval of Documents, Authorization for Execution.** Each of the Designated Officers is hereby authorized and directed to have prepared and to execute, acknowledge and deliver in the name of and on behalf of the LACMTA one or more Supplemental Trust

Agreements, one or more Continuing Disclosure Certificates, one or more Notices Inviting Bids and one or more Notices of Intention to Sell Bonds, all in substantially the forms on file with the Secretary of the Board and made available to the Board and hereby approved, with such changes as any Designated Officer determines are appropriate or necessary, in each case, to the extent, in the form, and with the terms and provisions as the Designated Officer executing the same shall determine are appropriate and necessary for the issuance of the Bonds, including, but not limited to, affirmative and negative covenants relating to the Bonds and the finances and operations of the LACMTA and any amendments, modifications and/or supplements to the Trust Agreement. All Supplemental Trust Agreements, Continuing Disclosure Certificates, Notices Inviting Bids and Notices of Intention to Sell Bonds are collectively referred to herein as the “Related Documents” and each a “Related Document.”

(f) Each Designated Officer is hereby authorized and directed for and on behalf of the LACMTA to accept the best bid for the Bonds received from qualified bidders pursuant to and subject to the terms and conditions set forth in this Resolution and the Notice Inviting Bids herein approved and to award the Bonds, from time to time, to such best bidder(s).

(g) Each Designated Officer is hereby authorized and directed to take any other action such Designated Officer determines is necessary or desirable to cause any such competitive sale to comply with the Debt Policy of the LACMTA and applicable law.

Each Preliminary Official Statement shall also contain a description of the applicable Bonds and the terms and conditions of the applicable Supplemental Trust Agreement together with such information and description as a Designated Officer determines is appropriate or necessary. Each Preliminary Official Statement shall be circulated for use in selling the Bonds at such time or times as a Designated Officer shall deem such Preliminary Official Statement to be final within the meaning of Rule 15c2-12 promulgated under the Securities Exchange Act of 1934, as amended, said determination to be conclusively evidenced by a certificate signed by said Designated Officer to said effect.

Upon the sale of any Series of Bonds, the Designated Officers shall provide for the preparation, publication, execution and delivery in electronic and/or printed form of one or more final Official Statements in substantially the form of the Preliminary Official Statement with such changes as any Designated Officer determines are appropriate or necessary. Any Designated Officer is hereby authorized and directed to execute and deliver one or more final Official Statements in the name and on behalf of the LACMTA. One or more supplements to the final Official Statement(s) or revised final Official Statement(s) may be prepared and delivered

reflecting updated and revised information as the Designated Officers deem appropriate or necessary. Each Official Statement shall be circulated for use in selling the Bonds at such time or times as a Designated Officer deems appropriate.

11. **Paying Agent and Registrar.** The LACMTA hereby appoints the Trustee as Paying Agent for the Bonds and appoints the Trustee as Registrar for the Bonds. Such appointments shall be effective upon the issuance of the Bonds and shall remain in effect until the LACMTA, by supplemental agreement, resolution or other action, shall name a substitute or successor thereto.

12. **Authorized Authority Representative.** The Board hereby confirms the designation of the Chief Financial Officer of the LACMTA and any person holding such title or any person holding such other title as may from time to time be assigned to such position, and such officer serving in an acting or interim capacity, as an “Authorized Authority Representative” for all purposes under the Trust Agreement, the Supplemental Trust Agreement, and any amendments or supplements to the Trust Agreement or Supplemental Trust Agreement. Such appointment shall remain in effect until modified by resolution. The prior designation of officers, including the Chairperson, the Chief Executive Officer, Treasurer and Assistant Treasurer of the LACMTA, as Authorized Authority Representatives under the Trust Agreement and any amendments or supplements thereto shall continue.

13. **Reimbursement.** (i) All of the foregoing recitals are true and correct and (ii) in accordance with Section 1.150-2 of the Treasury Regulations, the LACMTA declares its intention to issue Bonds in an amount not to exceed \$500,000,000, the proceeds of which will be used to pay for the costs of the Projects, including the reimbursement to the LACMTA for certain capital expenditures relating to the Projects made prior to the issuance of the Bonds.

13. **Additional Authorization.** The Designated Officers and all officers, agents and employees of the LACMTA, for and on behalf of the LACMTA, are each authorized and directed to do any and all things necessary to effect the execution and delivery of the Bonds and the Related Documents and to carry out the terms thereof. The Designated Officers and all other officers, agents and employees of the LACMTA are further authorized and directed, for and on behalf of the LACMTA, to execute all papers, documents, certificates and other instruments that may be required in order to carry out the authority conferred by this Resolution or the provisions of the Trust Agreement, each Supplemental Trust Agreement and the Related Documents or to evidence said authority and its exercise. 14. **Continuing Authority of Designated Officers.** The authority of any individual serving as a Designated Officer under this Resolution by a written designation signed by any Chief Executive Officer, any Chief Financial Officer, any Treasurer, or any Assistant Treasurer shall remain valid notwithstanding the fact that the individual officer of the LACMTA signing such designation ceases to be an officer of the LACMTA, unless such designation specifically provides otherwise.

15. **Further Actions.** From and after the delivery of the Bonds, the Designated Officers and each of them are hereby authorized and directed to amend, supplement or otherwise modify any Related Document at any time and from time to time and in any manner determined to be necessary or desirable by the Designated Officer executing such amendment, supplement or modification, the execution of such amendment, supplement or other modification being conclusive evidence of LACMTA's approval thereof.
