DETERMINATION OF SAFETY IMPACT

Maintaining the full complement of representatives on each Service Council to represent each service area is important. As each representative is to be a regular user of public transit, and each Council is composed of people from diverse areas and backgrounds, this enables each Council to better understand the needs of transit consumers including the need for safe operation of transit service and safe location of bus stops.

ALTERNATIVES CONSIDERED

The alternative to approving this appointment would be for these nominees to not be approved for appointment. To do so would result in reduced effectiveness of the Service Councils, as it would increase the difficulty of obtaining the quorum necessary to allow the Service Councils to formulate and submit their recommendations to the Board. It would also result in the Service Councils having less diverse representation of their respective service area.

NEXT STEPS

Staff will continue to monitor the major contributors to the quality of bus service from the customer's perspective, and share that information with the Service Councils for use in their work to plan and to implement and improve bus service in their areas and the customer experience using our bus service.

Re: Nominations for the Members of the South Bay Service Council

The South Bay Metro Service Council has been extremely successful since its inception. The dedicated people on our council have worked with Metro staff to make changes in service to improve efficiency and coordination of the transit services provided by the Metro in our sector.

The South Bay Cities Council of Governments (SBCCOG) takes its responsibility to nominate members to the council very seriously and with this letter we are submitting our nominees to fill the three seats whose terms are expiring. Recommended after receiving the approval of the SBCCOG Board of Directors at the meeting of April 26, 2018 are the current incumbents: Don Szerlip (Redondo Beach businessman), Charles Michel Deemer (Torrance Environmental Commissioner) and Dan Medina (Gardena Councilmember). These appointments are all for 3 years.

We request that you agendize the appointment of these representatives for as soon as possible so they can be seated in July, 2018.

Please notify us when the appointments are confirmed or if you have any questions.

Sincerely,

Kurt Weideman
SBCCOG Chair
Councilman, City of Torrance
