OPERATIONS, SAFETY, AND CUSTOMER EXPERIENCE COMMITTEE JANUARY 21, 2021

SUBJECT: STATUS OF MOTION 10.1: FY21 OPERATIONS RECOVERY PLAN (JANUARY 2021)

ACTION: RECEIVE AND FILE

RECOMMENDATION

RECEIVE AND FILE status report on the January 2021 response to Motion 10.1: FY21 Operations Recovery Plan.

ISSUE

On September 24, 2020, the Metro Board of Directors (Board) approved Motion 10.1: FY21 Operations Recovery Plan (Attachment A) directing staff to:

- A. Report back to the Operations, Safety, and Customer Experience Committee in 60 days, with updates every 60 days thereafter, with an FY21 Operations Recovery Plan that achieves the following outcomes:
1. Aligns bus lines with their respective NextGen service tier standards.
 2. Does not exceed maximum load factors on buses and trains based on industry accepted health and safety standards.
 3. Sets criteria for adding service in anticipation of future on-street conditions related to economic sector and/or school re-openings and the return of traffic congestion and effect on bus speeds.
 4. Takes full advantage of operational savings from faster bus speeds to achieve performance-based service outcomes.
 5. Restores revenue service hours as appropriate to achieve all of the above outcomes.
- B. Report back to the Finance, Budget, and Audit Committee in 60 days with an amendment to the FY21 Budget, if necessary, to implement the above FY21 Operations Recovery Plan.

This report addresses Items 1-5 in Section A above.

BACKGROUND

In September 2020, the Board approved the FY21 Annual Budget which included 5.6M annual Revenue Service Hours (RSH) for Metro bus operations. Motion 10.1: FY21 Operations Recovery Plan was approved as part of the budget deliberations to direct staff to monitor service performance and determine criteria for increasing service to levels envisioned by NextGen while balancing vehicle loads, financial constraints, public health directives, and service quality.

DISCUSSION

The following provides the status update for each item listed in the motion:

1. Aligns bus lines with their respective NextGen service tier standards -

No Change. Attachment B lists all bus lines by service tier for the December 2020 shake-up, as well as the NextGen Transit First full buildout scenario frequencies.

2. Do not exceed maximum load factors on buses and trains based on industry accepted health and safety standards

No Change. Service continues to be scheduled to maintain a max. load standard of 75% of seated capacity during any 20 min. time slice during peak periods and 60 min. time slices during off peak period.

3. Set criteria for adding service in anticipation of future on-street conditions related to economic sector and/or school reopenings and the return of traffic congestion and effect on bus speeds

Percent of Trips Exceeding Maximum Load Standard

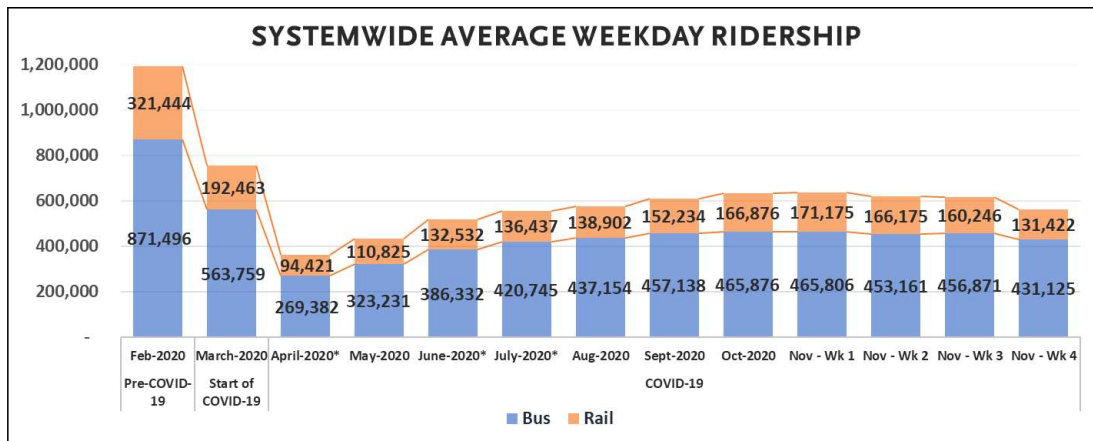

Maximum loads on all Metro bus trips continue to be monitored weekly. The percent of trips on average each week exceeding the 75% of seated load standard since the December 13, 2020 service change to the week ending December 26, 2020 are as follows:

- Weekdays: average 1.2% or 135 trips (range 1.2% to 1.3%) so on average meets the target
- Saturdays: average 2.9% or 190 trips (range 1.8% to 4.0%)
- Sundays: average 1.2% or 79 trips (range 0.5% to 1.9%)

For the December 13, 2020 service changes, additional trips were added throughout the week to address trips with consistent heavy loads and has resulted in fewer trips exceeding the load standard. Loads will continue to be monitored on a weekly basis and further adjustments can be made if needed through interim schedule adjustments.

Ridership Potential

During October and November 2020 average weekday bus ridership remained stable at 47-48% below pre-COVID levels, with Saturdays between 32-36% down and Sundays from 26-31%. Ridership is not anticipated to grow during FY21Q3 given the growing number of new COVID cases and further safer at home orders in LA County. Ridership will continue to be monitored on a weekly and monthly basis to determine when where service should be added.

	Pre-COVID-19 Feb-20	Start of COVID-19 Mar-20	April-20*	May-20	June-20**	July-20***	Aug-20	Sep-20	Oct-20	11/1-11/7	11/8-11/14	11/15-11/21	11/22-11/28
Ridership													
TOTAL	1,192,940	756,222	363,803	434,056	518,864	557,182	576,056	609,372	632,752	636,981	619,336	617,117	562,547

*Deployed Modified Enhanced-Sunday Schedule on 04/19/20
 **Deployed June Bi-Annual Shake-up on 6/21/20
 ***Added 35 trips on 7/27/20
 Preparing to implement December 2020 Service Changes on 12/13/20

Public Health Directives

Given the increases in COVID cases and stricter safer at home orders, it is not anticipated that economic activity will grow in FY21Q1 particularly with outdoor dining and other functions suspended. In fact travel activity between October and early November 2020 decreased 8% based on cell phone location data. Schools are also not anticipated to be back in in-person classes during next quarter.

Resource Availability

Financial

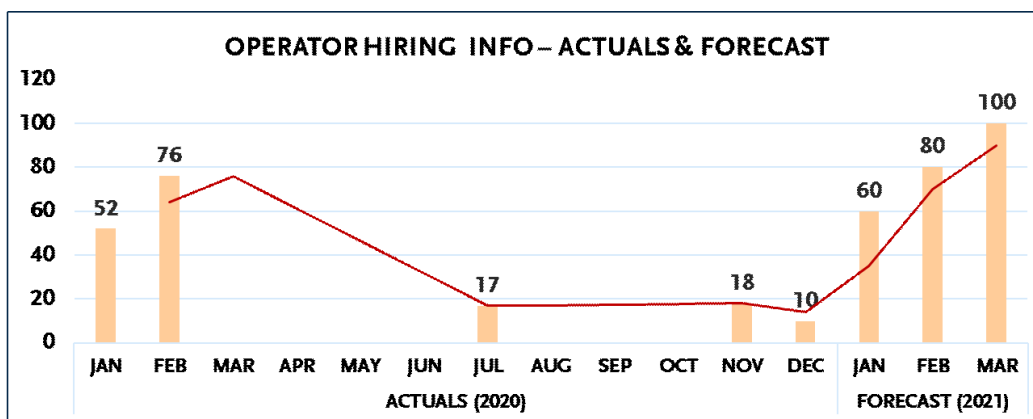

Financial resources to add additional service hours will be considered as part of the mid-year budget review and will need to be considered alongside other priority needs within Operations.

Staffing

Bus and rail operators generally attrite at a rate of 7 per week or 28 per month. Therefore, operator hiring needs to be continuous in order to achieve our Operator to Assignment Ratio

(OAR) goal of 1.25 for Bus and 1.27 for Rail during the COVID pandemic. As of the beginning of December 2020, our actual OAR was 1.21 for Bus and 1.40 for Rail.

In 2021, Operations will hire enough operators to follow all safety protocols without using excessive overtime. The first class of 30 Bus Operators starts on January 11, 2021 which includes 6 weeks of class time plus one week for DMV licensing. The second class of 30 Bus Operators is scheduled for January 25, 2021 and will follow the same schedule as the first class. Operations will begin a new class every 3-4 weeks when the current class moves from classroom to “behind the wheel” instruction. To further increase training throughput, Operations Central Instruction is developing a schedule and securing additional classrooms and/or equipment to support more than one class at a time.

QTR 1 (Jan-March)	QTR 2 (April - June)	QTR 3 * (July - Sept)	QTR 4* (Oct - Dec)	2020 Total
128	0	17	28	173

- *July, Nov and Dec 2020 hiring includes operators for MicroTransit
- Staff will continue to monitor operator staffing levels closely and has plans in place to ramp up hiring efforts in 2021

Performance

Boardings per revenue service hour for October and November 2020 continue to trend around 30, however, the latest trend of ridership shows a decline over the past few weeks. If that trend continues and as our RSH grow in December 2020, performance would expect to decline.

4. Takes full advantage of operational savings from faster bus speeds to achieve performance-based service outcomes

The December 13, 2020 service change continues the speed improvements generated since the June 21, 2020 service changes despite the consolidation of eight Rapid corridors with the local lines. Revenue speeds systemwide are 10.6 revenue miles/revenue hours on weekdays and 10.9 on Saturdays and Sundays.

5. Restore revenue service hours as appropriate to achieve all the above outcomes

No Change. The December 13, 2020 service change restored services to address higher loads and to begin implementing midday frequency improvements established under NextGen. No additional service has been added since then.

FINANCIAL IMPACT

Implementation of Metro's December 2020 service changes is included within Metro's FY21 Budget as approved at Metro Board's September 2020 meeting.

Impact to Budget

There is no impact to the approved Metro FY21 budget and allocated funding sources. The planned changes are made within the revenue service hours budgeted.

DETERMINATION OF SAFETY IMPACT

This report does not have a negative effect on the safety of our customers or employees.

IMPLEMENTATION OF STRATEGIC PLAN GOALS

Recommendation supports strategic plan goal #1: Provide high quality mobility options that enable people to spend less time traveling. The service changes also respond to the sub-goal of investing in a world class bus system that is reliable, convenient, safe, and attractive to more users for more trips.

NEXT STEPS

The next scheduled status report on Motion 10.1 will be in March 2021.

Agenda Number: 10.1.

REGULAR BOARD MEETING SEPTEMBER 24, 2020

Motion by:

DIRECTORS BONIN, GARCETTI, SOLIS, GARCIA, AND KUEHL

Related to Item 10: Fiscal Year 2021 (FY21) Budget

The COVID-19 Crisis has created incredible strain on Metro's operations and finances. An unprecedented drop in sales tax and other revenue has caused a \$1.2 billion decrease in Metro's budget from FY20 to FY21, with additional volatility likely throughout FY21 and beyond. At the same time, COVID-19 health and safety measures and labor agreements have increased operational costs per hour of service. Despite an infusion of federal funding from the CARES Act, Metro still faces an uncertain operations budget that will require continuous updates throughout the fiscal year.

The proposed FY21 budget is an accurate reflection of today's greatly diminished transit service levels. However, maintaining current service levels for the remainder of the fiscal year is not acceptable for riders nor is it consistent with the agency's strategic priorities, including NextGen. At a time when COVID-19 has exposed all of the region's underlying inequities, Metro must plan for and facilitate an equitable recovery that prioritizes the mobility needs of our county's most vulnerable populations, who disproportionately rely on bus service.

Metro should prepare an FY21 Operations Recovery Plan that outlines a clear decision-making framework for restoring service and identifies the financial and human resources needed at each stage of recovery. This Plan should clearly articulate how NextGen parameters are being applied to interim service decisions, in addition to public health and customer experience considerations. Most importantly, this Plan should commit to achieving NextGen's performance outcomes (revenue miles, number of high-frequency lines, number of people with access to frequent service), even if pre-COVID revenue service hours may not be necessary to achieve them.

SUBJECT: FY21 OPERATIONS RECOVERY PLAN

RECOMMENDATION

APPROVE Motion by Directors Bonin, Garcetti, Solis, Garcia, and Kuehl that the Board direct the Chief Executive Officer to:

- A. Report back to the Operations, Safety, and Customer Experience Committee in 60 days, with updates every 60 days thereafter, with an FY21 Operations Recovery Plan that achieves the following outcomes:
1. Aligns bus lines with their respective NextGen service tier standards.
 2. Does not exceed maximum load factors on buses and trains based on industry-accepted health and safety standards.
 3. Sets criteria for adding service in anticipation of future on-street conditions related to economic sector and/or school reopenings and the return of traffic congestion and effect on bus speeds.
 4. Takes full advantage of operational savings from faster bus speeds to achieve performance-based service outcomes.
 5. Restores revenue service hours as appropriate to achieve all of the above outcomes.
- B. Report back to the Finance, Budget, and Audit Committee in 60 days with an amendment to the FY21 Budget, if necessary, to implement the above FY21 Operations Recovery Plan.

Motion 10.1 Update

FY21 Operations Recovery Plan

Criteria for Adding Service

	Target	Status
Passenger Load	<ul style="list-style-type: none"> 98% of weekly trips should not exceed an average of 75% of seated capacity. 	<ul style="list-style-type: none"> Weekdays: average 1.2% or 135 trips (range 1.2% to 1.3%) so on average meets the target Saturdays: average 2.9% or 190 trips (range 1.8% to 4.0%) Sundays: average 1.2% or 79 trips (range 0.5% to 1.9%)
Health Directives	<ul style="list-style-type: none"> Schools open for in-person sessions with more transit demand than current capacity can accommodate. Prioritize Tier 1 and 2 lines in areas showing emerging markets. 	<ul style="list-style-type: none"> Increase in COVID-19 transmission rates have resulted in stricter safer at home orders Bus ridership steadily declining from 453,217 to 414,544 from beginning to end of December 2020.
Resources	<ul style="list-style-type: none"> Sales taxes grow faster than forecasted and can support FY22 budget assumptions. Maintain operator staffing levels at 1.25 operator to assignment ratio (OAR) prior to adding additional service beyond F21 budget. 	<ul style="list-style-type: none"> Financial resources are proposed in mid-year budget to support continued NextGen capital improvements COVID-19 related absenteeism increasing among operators resulting in up to 10% cancelled bus service during first week of January 2021
Performance	<ul style="list-style-type: none"> Maintain current COVID-19 performance of 30 boardings/Revenue Service Hour (BRSH) 	<ul style="list-style-type: none"> BRSH has declined to 25 since December 2020 service change
