Discipline 1: Staff Augmentation

1. BCA Watson Rice, LLP
2. Qiu Accountancy Corporation
3. Simpson and Simpson, LLP
4. TAP Financials, LLP
5. The Lopez Group, LLP

Discipline 2: Subject Matter Expertise

1. BCA Watson Rice, LLP
2. Qiu Accountancy Corporation
3. Simpson and Simpson, LLP
4. Talson Solutions, LLC
5. TAP International, Inc.
6. The Lopez Group, LLP
7. Vasquez & Company, LLP

B. EXECUTE or DELEGATE the execution of Task Orders under these contracts within the approved not-to-exceed cumulative value of \$12,144,985.

**ISSUE**

Management Audit Services Department (Management Audit) has a recurring need for consulting and assurance services

---

provided by certified public accounting (CPA) firms and other specialty firms. They provide consulting services relating to a broad range of audits and reviews, including: complete the Board approved annual audit plan, assist with management requested assignments, support fluctuating workload requirements, and conduct large and/or complex audits. The multiple award agreement (bench) is necessary for two primary reasons: to provide specialized expertise and to augment staff.

Staff recommends awarding contracts to eight (8) firms to serve this bench contract under two disciplines: Staff Augmentation and Subject Matter Expertise. These services will be performed on an as-needed basis for which task orders will be issued.

### **DISCUSSION**

Metro is required to comply with Generally Accepted Government Auditing Standards (GAGAS). GAGAS has a due professional care standard which requires Management Audit to bring in outside experts to supplement staff when the area being audited requires technical or specialized skills that are not available within the department. Co-sourcing is typically used to supplement staff when a sudden influx of time sensitive audits exceeds available resources. Outsourcing can be used depending on the complexity of the audit, if the specialized skillset is not available in-house or independence is required by laws and regulations including the Measure M annual financial and compliance audits. Audits that normally fall under this requirement include information technology audits and specialized audits such as construction projects and processes including cost estimating.

Since this is a multiple award agreement, no firm has been guaranteed any work. The recommended not to exceed amount of \$12,144,985 is estimated for work needed in the next three years and two, one-year options. The projected services are based upon historical work outsourced for audit services and identified for outsourcing in the FY23 audit plan, in addition to utilization of the bench by other departments.

### **DETERMINATION OF SAFETY IMPACT**

Approval of this item will not impact the safety of Metro's patrons or employees.

### **FINANCIAL IMPACT**

Management Audit has requested \$502,506 for this agreement in the proposed mid-year FY23 budget in cost center 2510 - Management Audit, under project 100001 - General Overhead. Since this is a multi-year agreement, the cost center managers and other Executive Officers will be accountable for budgeting future costs.

#### **Impact to Budget**

The source of funds for Project 100001 is General Overhead funds, comprised of Federal, State and local funds. This fund is eligible for bus and rail operating costs.

### **EQUITY PLATFORM**

The Audit Services Bench contracts provide business opportunities for eight firms. The Diversity and Economic Opportunity Department (DEOD) established a 30% Disadvantaged Business Enterprise (DBE), 27% Small Business Enterprise (SBE) and 3% Disabled Veteran Business Enterprise (DVBE) goal for this solicitation. All Primes met or exceeded the DBE/SBE/DVBE goals.

To ensure maximum opportunity for participation in this contract, this solicitation was advertised through periodicals of general circulation, posted on Metro's Vendor Portal, and an e-mail notice to

SBE firms with applicable NAICS codes. The Proposal Evaluation Team (PET) was diverse and comprised of different department personnel with various backgrounds to comprehensively evaluate proposers and subconsultants to determine the most qualified teams.

### **IMPLEMENTATION OF STRATEGIC PLAN GOALS**

The recommended actions support the Metro Vision 2028 Goal #5: Provide responsive, accountable, and trustworthy governance within the Metro organization as the Audit Services Bench will allow the MAS to conduct specialized and time sensitive audits in a responsive manner in support of the agency's projects, programs, and initiatives.

### **ALTERNATIVES CONSIDERED**

Two alternatives were considered. One alternative would be to hire additional full-time staff to perform the audits. However, this alternative is not considered cost effective because the volume of work is constantly changing making this activity subject to peak periods alternating with periods of low activity. Further, some projects require various technical or specialized skills that are not available since it is not practical to hire staff for each of the particular skillsets. Another alternative would be to obtain the audit services as separate procurements. This also is not recommended, as this would prolong the procurement process making it difficult to complete time-sensitive audits within the planned timeframe. In addition, because of the frequency of task orders typically issued, this would require a substantial amount of procurement processing time.

### **NEXT STEPS**

Upon Board approval, staff will execute the bench contracts.

**A. Procurement Background**

This Board Action is to establish the audit services bench contracts for a five-year term, inclusive of a three-year base term and two, one-year option terms. The contracts shall be effective January 1, 2023, with a cumulative total amount not-to-exceed \$12,144,985. The bench is intended to provide audit services involving two disciplines: (1) staff augmentation and (2) subject matter expertise services. Board approval of contract award is subject to resolution of any properly submitted protest.

Audit services shall be performed on an “as-needed” basis and work shall be authorized through the issuance of task orders for either staff augmentation or subject matter expertise.

On April 29, 2022, Request for Proposals (RFP) No. PS86611 was issued as a competitive procurement in accordance with Metro’s Acquisition Policy and the contract type is a firm-fixed unit rate.

A virtual pre-proposal conference was held on May 10, 2022. Seven questions were received, and Metro provided responses prior to the proposal due date.

One amendment was issued during the solicitation phase of this RFP:

- Amendment No. 1, issued on May 27, 2022, extended the proposal due date.

A total of 41 firms downloaded the RFP and were included on Metro's planholders' list. A total of 13 proposals from eight firms were received by the due date of June 9, 2022, and are listed below in alphabetical order, per discipline:

**Discipline 1: Staff Augmentation**

1. BCA Watson Rice Western Region, LLP
2. Qiu Accountancy Corporation
3. Simpson & Simpson, LLP
4. TAP Financials, LLP
5. The Lopez Group, LLP

**Discipline 2: Subject Matter Expertise**

1. BCA Watson Rice Western Region, LLP
2. CPC Financial Services
3. Qiu Accountancy Corporation
4. Simpson & Simpson, LLP
5. Talson Solutions, LLC
6. TAP International, Inc
7. The Lopez Group, LLP
8. Vasquez & Company LLP

**B. Evaluation of Proposals**

**Discipline 1: Staff Augmentation**

A Proposal Evaluation Team (PET) consisting of staff from Management Audit Services and Office of Inspector General was convened and conducted a comprehensive technical evaluation of the proposals received. The proposals were evaluated based on the following:

Phase I Evaluation – Minimum Qualification Review: This is a pass/fail criteria. The criteria focused on the proposer's license to practice public accounting in California and experience in providing auditing and accounting services, and the Prime contractor's compliance with Generally Accepted Government Auditing Standards (GAGAS) within the last three years as determined through latest Peer Review Reports.

On July 6, 2022, the PET met to review the evaluation criteria package, process confidentiality and conflict of interest forms, and take receipt of the five proposals to initiate the evaluation phase.

On July 29, 2022, the PET reconvened and determined that all proposals received met the minimum qualification requirements and proceeded with Phase II- Technical Evaluation based on the following criteria and weights:

- Proposer's Qualifications and Experience 20 percent

- Management Plan and Understanding of Work 30 percent
- Experience and Qualifications of Key Personnel 30 percent
- Cost Proposal 20 percent

The evaluation criteria are appropriate and consistent with criteria developed for similar audit services. Several factors were considered in developing these weights, giving the greatest importance to management plan and understanding of work and experience and qualifications of key personnel.

Evaluations were conducted from July 6, 2022, through July 29, 2022. At the conclusion of the evaluations, the PET determined that all five firms met the competitive range and were determined to be responsive, responsible, and qualified to perform the services based on the RFP’s requirements. The five firms are listed below in alphabetical order.

1. BCA Watson Rice Western Region, LLP
2. Qiu Accountancy Corporation
3. Simpson & Simpson, LLP
4. TAP Financials, LLP
5. The Lopez Group, LLP

**Discipline 2: Subject Matter Expertise**

A Proposal Evaluation Team (PET) consisting of staff from Management Audit Services and Office of Inspector General was convened and conducted a comprehensive technical evaluation of the proposals received.

Proposals were evaluated based on the following criteria stated in the RFP:

- Proposer’s Qualifications and Experience 50 percent
- Experience and Qualifications of Key Personnel 20 percent
- Management Plan and Understanding of Work 30 percent

The evaluation criteria are appropriate and consistent with criteria developed for similar services. Several factors were considered in developing these weights, giving the greatest importance to Proposer’s qualification and experience.

On July 6, 2022, the PET met to review the evaluation criteria package, process confidentiality and conflict of interest forms, and take receipt of the eight proposals to initiate the evaluation phase. Evaluations were conducted from July 6, 2022, through August 17, 2022.

On August 17, the PET reconvened and determined that of the eight proposals received, one firm was outside of the competitive range and was not included for further consideration. The seven firms within the competitive range are listed below in alphabetical order.

1. BCA Watson Rice Western Region, LLP
2. Qiu Accountancy Corporation
3. Simpson & Simpson, LLP
4. Talson Solutions, LLC
5. TAP International, Inc
6. The Lopez Group, LLP
7. Vasquez & Company LLP

Following the conclusion of the evaluations for both disciplines, staff conducted negotiations and fact finding for various cost elements with all of the recommended firms.

### **C. Cost/Price Analysis**

Each proposer submitted fully burdened hourly rates for labor classifications necessary to perform staff augmentation and subject matter expertise services, respectively. The negotiated rates have been determined to be fair and reasonable based on price analysis, cost analysis, technical evaluation, fact-finding, and negotiations.

Work for this Bench Contract will be authorized through the issuance of individual task orders. Task orders for each discipline will contain a specific scope of service and will be competed among the firms on the bench.
