

## Board Report

File #: 2025-0404, File Type: Budget

Agenda Number: 12.

### FINANCE, BUDGET AND AUDIT COMMITTEE JUNE 18, 2025

**SUBJECT: FISCAL YEAR 2025-26 TRANSIT FUND ALLOCATIONS**

**ACTION: APPROVE RECOMMENDATIONS**

#### **RECOMMENDATION**

CONSIDER:

- A. APPROVING \$2.9 billion in Fiscal Year 2025-26 (FY26) Transit Fund Allocations for Los Angeles County jurisdictions, transit operators, and Metro Operations as shown in Attachment A. These allocations comply with federal, state, and local regulations and Metro Board approved policies and guidelines. Federal and state fund allocations are subject to actual fund apportionments;
- B. APPROVING fund exchanges in the estimated amount of \$3,140,305 of Metro's Transportation Development Act (TDA) Article 4 allocation with Municipal Operators' shares of the Low Carbon Transit Operations Program. Funding will be adjusted based on LCTOP actual allocations;
- C. APPROVING fund exchanges in the estimated amount of \$1,035,635 of Metro's Proposition (Prop) C 40% allocation with Antelope Valley, Santa Clarita, Burbank, and Glendale's shares of the Low Carbon Transit Operations Program (LCTOP). Funding will be adjusted based on LCTOP actual allocations;
- D. APPROVING fund exchange of Federal Section 5307 discretionary fund awarded to the Southern California Regional Transit Training Consortium (SCR TTC) through Long Beach Transit in the amount of \$360,000 with Metro's TDA Article 4 allocation subject to final federal apportionments. If federal funds are not available for this fund exchange, \$360,000 in FY27 TDA Article 4 funds will be allocated to Metro off the top as reimbursement;
- E. APPROVING fund exchanges in the amount totaling \$15.6 million of Metro's Federal Section 5307 share with Municipal Operators' shares of Federal Sections 5337 and 5339 subject to final federal apportionments;
- F. AUTHORIZING the Chief Executive Officer to adjust FY26 Federal Section 5307 (Urbanized Formula), Section 5339 (Bus and Bus Facilities), and Section 5337 (State of Good Repair) allocations upon receipt of final apportionments from the Federal Transit Administration and amend the FY26 Budget as necessary to reflect the adjustments;

- G. APPROVING fund exchange in the amount of \$5 million of Metro's Prop C 40% allocations with the Local Transit Operators' share of federal Section 5307 funds to implement the Local Transit Systems Subcommittee's (LTSS) Zero Emission Vehicle (ZEV) Call for Projects subject to final federal apportionments;
- H. APPROVING revised Zero Emission Transit Capital Program (ZETCP)-Equivalent fund allocations to the Included and Eligible Transit Operators commensurate with current ZETCP fund availability to Metro (Attachment B), and delegate authority to the Chief Executive Officer to negotiate any future amendments if further adjustments are made in funding availability;
- I. ADOPTING a resolution designating Transportation Development Act (TDA) and State Transit Assistance (STA) fund allocations are in compliance with the terms and conditions of the allocations (Attachment C); and
- J. AUTHORIZING the Chief Executive Officer to negotiate and execute all necessary agreements, amendments to existing agreements, and FY26 Budget amendments to implement the above funding programs.

## **ISSUE**

Each year, transit operating and capital funds consisting of federal, state, and local revenues are allocated to Metro Operations, transit operators, and Los Angeles County local jurisdictions for programs, projects, and services according to federal guidelines, state laws, and established funding policies and procedures. The Board of Directors must approve allocations for FY26 prior to fund disbursement. As in prior years, the proposed transit allocations include fund exchanges of Metro funding for municipal and local transit operator shares of federal and state grant programs to enable them to draw down funding quickly with fewer requirements, contingent on federal and state fund availability.

## **BACKGROUND**

The Los Angeles County Metropolitan Transportation Authority (Metro), as the Regional Transportation Commission for Los Angeles County, is responsible for planning, programming, and allocating transportation funding to Los Angeles County jurisdictions, transit operators, and Metro Operations. The Metro Board approval will allow the continued funding of transportation projects, programs, and services in Los Angeles County.

The recommended FY26 Transit Fund Allocations are developed according to federal, state, and local requirements, as well as policies and guidelines previously approved by the Metro Board. Details of significant information, methodologies, and assumptions are described in Attachment D.

Staff has reviewed the recommended allocations, related methodologies, and assumptions with Metro Operations, transit operators, Los Angeles County local jurisdictions, Technical Advisory Committee (TAC), Bus Operations Subcommittee (BOS), and the Local Transit Systems Subcommittee (LTSS). The TAC, BOS, and LTSS have all formally adopted the recommended FY26

Transit Fund Allocations.

## **DISCUSSION**

### **Fund Exchanges**

Metro has been requested to facilitate fund exchanges with the municipal and local transit operators to help them access funding more rapidly and with fewer administrative requirements as follows:

- The Municipal operators are requesting fund exchanges of their Federal Sections 5339 and 5337 allocations with Metro's share of Federal Section 5307 allocation to minimize the impact on administrative processes associated with these funding programs. These exchanges are subject to federal fund availability.
- The Municipal Operators, Burbank, and Glendale are requesting fund exchanges of their LCTOP allocations with Metro's TDA Article 4 and Prop C 40% fund allocations to minimize the impact on administrative processes associated with these funding programs.
- Long Beach Transit is requesting a fund exchange of their share of Section 5307 15% Discretionary funds with Metro's TDA Article 4 funds for the Southern California Regional Transit Training Consortium (SCRTTC). In April 2023, BOS awarded \$360,000 a year for three years for the regional training program through an award to Long Beach Transit. If federal funds are not available for this fund exchange, \$360,000 in FY27 TDA Article 4 funds will be allocated to Metro off the top as reimbursement.
- Fifteen (15) Los Angeles County Low Carbon Transit Operations Program (LCTOP) recipients (Contributing Sponsors) have submitted "Letters of Intent" to transfer \$4,175,940 in PUC 99314 FY 2024-25 LCTOP funds to Metro which was approved by the Metro Board on April 24, 2025, to fund Metro's FY 2024-25 LCTOP A Line Operations Project.
- To expedite grant approval and fund disbursement by the Federal Transit Administration, Metro will exchange the \$5 million allocated to the Local Transit Operators under Section 5307 grants with its Prop C 40% funds to implement the LTSS ZEV program, subject to federal fund availability.

### **Reallocation of Federal Section 5307 Capital Revenues for LTSS ZEV Call for Projects**

In June 2022, the Board approved a reallocation of greater than anticipated Federal Section 5307 Capital revenues made available by the Federal Infrastructure Investment and Jobs Act (IIJA), to fund a zero-emission vehicle capital call for projects available to local transit operators and administered by the LTSS. Staff, working with members of the BOS, and Los Angeles County Municipal Operators Association (LACMOA), agreed to collectively set aside the Section 5307 funding as follows: \$10 million in FY22, \$5 million in FY24 and \$5 million in FY26, for the purpose of addressing the capital needs of local operators, particularly the mandated conversion to electric or other zero emission vehicles. This will total \$20 million for the life of the IIJA. Metro is then exchanging local funds with

---

Section 5307 funds to help expedite project delivery by reducing administrative requirements for the local operators. The Metro Board approved a fund exchange in June 2022 for the first \$10 million allocation and in June 2023 for the second \$5 million allocation. Staff is requesting approval of a fund exchange this year for the final \$5 million allocation in FY26 Section 5307 funds, subject to federal fund availability.

The first call for projects was conducted during FY23 and the Board approved fund awards for seven projects totaling \$13.9 million in June 2023. It is anticipated that LTSS will conduct the final call for projects during FY26 with a total of \$6.1 million available for eligible competitive projects. The proposed awards will be brought before the Board for consideration in June 2026.

### **Revision to ZETCP-Equivalent Allocations**

As reported to the Board last month, Governor Newsom's recent revision to the State budget cuts \$201.1 million from Metro's Zero Emission Transit Capital Program (ZETCP) funding. As part of last year's State budget, Metro was set to receive \$320 million in ZETCP funding and to date, Metro has received \$119.5 million of which will be used to advance Metro's transition to zero emission buses. In support of the Los Angeles County Regional Zero Emission Bus Procurement Policy, the Board approved an advance of ZETCP-Equivalent funding to the Included and Eligible Operators in September 2024 with amounts predicated on Metro receiving the full ZETCP fund allocation. Staff is requesting approval to revise the Included and Eligible Operator's ZETCP-Equivalent funding commensurate with the ZETCP funding being made available to Metro utilizing the same Board-adopted allocation formula. The revised commensurate amount for the Included and Eligible Operators is \$18.58 million as shown in Attachment B. The change in funding estimates will necessitate amending existing agreements with the Included and Eligible Operators. These allocations could be further adjusted either upward or downward, in the event the State makes further revisions to Metro's ZETCP allocation.

### **DETERMINATION OF SAFETY IMPACT**

Adoption of this item will provide funding for increased safety efforts.

### **FINANCIAL IMPACT**

The FY26 Transit Fund Allocations are included in the FY26 Budget in multiple cost centers and multiple projects. Approval of these recommendations authorizes Metro to disburse these funds to the Los Angeles County jurisdictions and transit operators.

### **EQUITY PLATFORM**

Under Board-adopted guidelines, this item enables the programming of funds to recipients to support the implementation of various transportation projects and improvements throughout the region. The FY26 Transit Fund Allocations referenced in Attachment A are intended to enhance mobility for pedestrians, cyclists, transit users, and individuals with disabilities. Through the process of public input and engagement, local decision-making, and project implementation, cities and unincorporated

---

areas of the county and transit operators have control to appropriately and equitably address the needs of their communities.

### **VEHICLE MILES TRAVELED OUTCOME**

VMT and VMT per capita in Los Angeles County are lower than national averages, the lowest in the SCAG region, and on the lower end of VMT per capita statewide, with these declining VMT trends due in part to Metro's significant investment in rail and bus transit. \* Metro's Board-adopted VMT reduction targets align with California's statewide climate goals, including achieving carbon neutrality by 2045. To ensure continued progress, all Board items are assessed for their potential impact on VMT.

As part of these ongoing efforts, this item as a whole is expected to contribute to further reductions in VMT. This item supports Metro's systemwide strategy to reduce VMT through investment activities that will maintain and further encourage transit ridership, ridesharing, and active transportation. Los Angeles County's Transit Fund allocation formula directs 50 percent of funding to each transit operator based on fare units (normalized boardings) and 50 percent based on vehicle service miles. This performance-based structure ties half of the subsidy directly to ridership levels: operators that attract more riders receive proportionally more funding, reinforcing the shift away from single occupant car trips. At the same time, the service-mile component ensures that coverage is maintained and expanded only where service is productive, incentivizing agencies to concentrate service on high demand corridors where each vehicle mile carries the most passengers.

By this program's design, agencies that grow both ridership and efficient service span see their allocations rise. As a result, this allocation framework drives continuous efficiency gains in the system and measurable declines in per-capita VMT in Los Angeles County. Metro's Board-adopted VMT reduction targets were designed to build on the success of existing investments, and this item aligns with those objectives.

\*Based on population estimates from the United States Census and VMT estimates from the highway performance monitoring system data between 2001-2019.

### **IMPLEMENTATION OF STRATEGIC PLAN GOALS**

The recommendation supports the following goals of the Strategic Plan by funding the improvement projects presented in Attachment A:

- Goal 1: Provide high-quality mobility options that enable people to spend less time traveling
- Goal 2: Deliver outstanding trip experiences for all users of the transportation system
- Goal 3: Enhance communities and lives through mobility and access to opportunity

### **ALTERNATIVES CONSIDERED**

The Board may choose not to approve the FY26 Transit Fund Allocations and instruct staff to use an

---

alternative methodology for allocation. This alternative is not recommended as federal, state, and local requirements, as well as prior Metro Board policies and guidelines require an annual allocation of funding to Los Angeles County jurisdictions, transit operators, and Metro Operations for programs, projects, and services. Allocation methodologies and assumptions comply with federal, state, and local requirements, as well as policies and guidelines previously approved by the Metro Board and have been agreed upon by affected operators and jurisdictions.

### **NEXT STEPS**

Upon Board approval of the recommended allocations and adoption of the resolution, we will work with Los Angeles County jurisdictions, transit operators, Southern California Association of Governments (SCAG) and Metro Operations to ensure the proper disbursement of funds.

**Notes:**

- a) Sales tax is projected to be \$1,070.0 million per ordinance.
- b) Local Return Subfunds are not reflected with carryover balances. The distribution of these funds occurs within the same period they are received.
- c) The Consumer Price Index (CPI) increase of 3.0% represents the average anticipated growth rate, as derived from a range of forecasting sources and historical trends. This rate is specifically applied to the Proposition A discretionary funds allocated to Included operators.
- d) Proposition A 95% of 40% Bus Transit growth over CPI estimate will be used to fund Eligible and Tier 2 operators. No carryover per Board Policy, amounts transferred to Prop C 40% to fund various Board-approved regional discretionary programs.
- e) The STA revenue estimates (including SB1/STA) from the State Controller's Office have been adjusted downward by 5% for the purposes of FAP allocation, in anticipation of a revenue shortfall in FY26. The actual funds will be revised two years from now, once we have received the concrete figures from the state.
- f) To qualify for SB1-SGR funds, eligible agencies are required to fulfill a number of reporting obligations.
- g) STA and SGR portion of SB1 will be allocated based on Measure R allocation methodology.
- h) Measure M provides for a total of 17% net revenues for Local Return. Supplement of 1% to be funded by 1.5% Administration.

**Notes:**

(1) Operator statistics exclude BSIP, TSE, Base Restructuring, and MOSIP services funded from PC 40% Discretionary. Services funded from other sources, such as federal funds, are also excluded.

(2) Fare units in **bold** remain frozen at their pre-fare change levels in accordance with the Funding Stability Policy adopted by the Board in November 2007.

(3) TDA cap of 0.25% is applied for DAR operators - Arcadia, Claremont, La Mirada and Redondo Beach DR.

(4) MTA Statistics include contracted services with LADOT for Lines 422, 601 and 602 (Consent Decree Lines), Glendale and Palos Verdes Peninsula Transit Authority (PVPTA).

(5) Santa Clarita increased their base fare from \$1.00 to \$1.25 in FY24.

(6) Santa Clarita experienced a two-month strike in FY24. Adjustments were made for FTA apportionment and FAP allocations as follows: The average data from the nine unaffected months of the reporting year will be used to estimate the data loss during the strike period.

- (1) Included Operators' share of LCTOP fund will be exchanged with Metro's TDA Article 4 allocation.
- (2) Prop A Discretionary funds (95% of 40%) allocated to Included Operators have been capped at 3.00% CPI for FAP allocation.
- (3) Funds allocated to the SCRTTC through Long Beach Transit will be exchanged with Metro's share of TDA Article 4 funds.
- (4) Formula Equivalent funds are allocated by formula to Eligible Operators based on PUC 99207.5. Fund source is Prop A 95% of 40% growth over CPI.
- (5) Antelope Valley and Santa Clarita's LCTOP fund will be exchanged with Metro's Prop C 40% Discretionary transfer to Proposition A Discretionary GOI.
- (6) In FY24, the Board approved increasing the funding cap to Tier 2 operators, from \$6 million to \$8.2 million, with annual increases indexed to CPI.

**Note:**

(1) Allocated as part of FAP to Commerce as compensation for having zero passenger revenues.

(2) The LCTOP funds of Antelope Valley, Santa Clarita, Burbank, and Glendale, totaling \$1,035,635, are set to be swapped with Metro's "Foothill Mitigation" fund / Prop A Discretionary GOI fund.

(3) The Infrastructure Investment Jobs Act (IIJA) resulted in greater than expected Federal 5307 grant funding. Thus, the Board approved in June 2022 to allocate these funds to LTSS, as follows: \$10 million (FY22), \$5 million (FY24), and \$5 million (FY26). Metro will exchange these funding amounts with PC 40.

23	Total	\$ 3,917,656	\$ (673,357)	\$ 3,244,299

**Notes:**

(1) Funding Stability Policy is applied on LADOT and Glendale Fare Units.

(2) This percentage is applied as a deduction from Tier 2 Operators' Incentive Program allocations.

(3) The Board approved increasing the Tier 2 funding from \$6 million to \$8.2 million in FY24, with annual adjustments indexed to CPI. The CPI for FY26 is 3.0%.

(4) Burbank and Glendale's LCTOP fund will be exchanged with Metro's "Foothill Mitigation" Fund. Metro will allocate Prop A Discretionary (95% of 40% ) GOI funds to these operators.

(5) Estimated - to be Adjusted to Actual apportionment.

**PROPOSITION A 5% OF 40% DISCRETIONARY PROGRAMS (Continued)**  
(In Order of Priority)

<b>PRIORITY VI: SPECIAL DEMONSTRATION PROJECTS</b>		<b>Total Allocation</b>
75	Avalon Ferry Subsidy (3)	\$ 800,000
76	Avalon Transit Services (Jitney and Dial-a-Ride) (3)	200,000
77	Hollywood Bowl Shuttle Service	1,057,000
78	<b>TOTAL SPECIAL DEMONSTRATION PROJECTS</b>	<b>\$ 2,057,000</b>
79	Total funds	\$ 18,178,589
80	Reserves for contingencies (4)	119,028
<b>81</b>	<b>TOTAL ESTIMATED REVENUE</b>	<b>\$ 18,297,617</b>
82	Surplus (Deficit)	\$ -

**NOTES:**

- (1) Priority I allocations are now based on new Board approved Prop A Incentive guidelines.
- (2) Tier 2 Operators' share have been reduced by % of GOI Funding per Tier 2 Operators Funding Program.
- (3) Avalon's subsidy total remains unchanged. The City has requested that Metro adjust the Ferry and Land Transit subsidy from a \$7K/\$3K split to an \$8K/\$2K split, reflecting the increase in ferry fares.
- (4) These funds are held in reserve for future contingency purposes such as deficit years, growth over inflation, approved new or existing expanded paratransit services, and new NTD reporters.

**NOTES:**

(1) Population estimates are based on State of California Department of Finance's (DOF) 2024 population estimates. The Unincorporated Population figure for TDA Article 8 is based on 2007 estimates by Urban Research.

(2) Proposition A, Proposition C, Measure R and Measure M Local Return funds are allocated their share of estimated revenues (minus administration) without carryover since payments are made based on actual revenues received.

**TDA Article 3 Allocation:**

(A) 15% of the estimated revenue is first awarded to the City of Los Angeles and Los Angeles County (30%-70% split) as Supplemental Allocation.

(B) City of Industry has opted out of the TDA Article 3 program indefinitely.

**Notes:** Total may not add due to rounding.

(1) Beginning with the FY24 apportionments, AVTA and Santa Clarita no longer report their NTD data under the LA-LB-OC UZA. Instead, they now report exclusively under the Palmdale-Lancaster and/or Santa Clarita UZAs. As a result, they are no longer included in the federal funding allocation for the LA UZA.

(2) The total of \$319,279 remaining from 1% Enhancement Allocations has been added to the 15% Discretionary allocation funds, as approved by the BOS.

(3) Operators' share of Section 5337 and 5339 will be exchanged with Metro's share of Section 5307 allocation.

(4) Allocations for the Southern California Regional Transit Training Consortium (SCR TTC) will be facilitated by Long Beach Transit. These funds will be exchanged with Metro's TDA 4 allocation.

(5) The Infrastructure Investment Jobs Act (IIJA) resulted in greater than expected Federal 5307 grant funding. Thus, the Board approved in June 2022 to allocate these funds to LTSS, as follows: \$10 million (FY22), \$5 million (FY24), and \$5 million (FY26). Metro will exchange these funding amounts with PC 40.

**Notes:**

(1) Allocations for the Southern California Regional Transit Training Consortium (SCR TTC) will be facilitated by Long Beach Transit. These funds will be exchanged with Metro's TDA 4 allocation.

(2) The Infrastructure Investment Jobs Act (IIJA) resulted in greater than expected Federal 5307 grant funding. Thus, the Board approved in June 2022 to allocate these funds to LTSS, as follows: \$10 million (FY22) , \$5 million (FY24), and \$5 million (FY26). Metro will exchange these funding amounts with PC 40.

Los Angeles County Metropolitan Transportation Authority  
FY2026 Transit Fund Allocations

**RESOLUTION OF THE LOS ANGELES COUNTY METROPOLITAN TRANSPORTATION  
AUTHORITY FOR FISCAL YEAR 2025-2026 FOR LOCAL TRANSPORTATION,  
TRANSPORTATION DEVELOPMENT ACT, AND STATE TRANSIT ASSISTANCE FUND  
ALLOCATIONS**

**WHEREAS**, the Los Angeles County Metropolitan Transportation Authority (LACMTA) is the designated Transportation Planning agency for the County of Los Angeles and is, therefore, responsible for the administration of the Transportation Development Act (TDA), Public Utilities Code Section 99200 et seq.; and

**WHEREAS**, under Chapter 2.5, Article 5, the State Transit Assistance Fund (STA) Section 6753, allocations to claimants shall be made and take effect by resolution and shall designate: 1) the fiscal year for which the allocation is made; 2) the amount allocated to the claimant for each of the purposes defined in Sections 6730 and 6731; and 3) any other terms and conditions of the allocation; and

**WHEREAS**, Section 6659 requires that allocation instructions be conveyed each year to the county auditor by a written memorandum of its executive director and accompanied by a certified copy of the authorizing resolution; and

**WHEREAS**, the resolution shall also specify conditions of payment and may call for a single payment, for payments as money becomes available, or for payment by installments monthly, quarterly, or otherwise; and

**WHEREAS**, the amount of a regional entity's allocation for a fiscal year that is not allocated to claimants for that fiscal year shall be available to the regional entity for allocation in the following fiscal year; and

**WHEREAS**, Section 6754 requires that the regional entity may allocate funds to an operator or a transit service claimant only if, in the resolution allocating the funds, it finds all of the following:

- a.1 The claimant's proposed expenditures are in conformity with the Regional Transportation Plan.
- a.2 The level of passenger fares and charges is sufficient to enable the operator or transit service claimant to meet the fare revenue requirements of PUC Section 99268.2, 99268.3, 99268.4, 99268.5, and 99268.9, as they may be applicable to the claimant.
- a.3 The claimant is making full use of federal funds available under the Urban Mass Transportation Act of 1964, as amended.
- a.4 The sum of the claimant's allocations from the state transit assistance fund and from the local transportation fund does not exceed the amount the claimant is eligible to receive during the fiscal year.

**ATTACHMENT C**

**Los Angeles County Metropolitan Transportation Authority  
FY2026 Transit Fund Allocations**

- a.5 Priority consideration has been given to claims to offset reductions on federal operating assistance and the unanticipated increase in the cost of fuel, to enhance existing public transportation services, and to meet high priority regional, countywide, or area wide public transportation needs.

**WHEREAS**, the regional entity may allocate funds to an operator for the purposes specified in Section 6730 only if, in the resolution allocating the funds, it finds all of the following:

- b.1 The operator has made a reasonable effort to implement the productivity improvements recommended pursuant to PUC Section 99244.
- b.2 A certification by the Department of the California Highway Patrol verifying that the operator is in compliance with Section 1808.1 of the Vehicle code, as required in PUC Section 99251. The certification shall have been completed within the last 13 month, prior to filing claims.
- b.3 The operator is in compliance with the eligibility requirements of PUC Section 99314.6 or 99314.7

**WHEREAS**, the regional entity may allocate funds to an operator to exchange funds pursuant to PUC Section 99314.4(b) only if, in the resolution allocating the funds made available pursuant to PUC Section 99231, it find that the operator is eligible to receive State Transit Assistance funds; and

**WHEREAS**, LACMTA staff in consultation with the Transit Operators and Cities has developed allocations in accordance with the Transportation Development Act as previously specified.

**NOW THEREFORE,**

- 1.0 The LACMTA Board of Directors approves the allocation of TDA and STA for the Fiscal Year 2025-26 to each claimant for each of the purposes as specified in Attachments A.
- 2.0 The Board of Directors hereby finds that a claimant's proposed expenditures are in conformity with the Regional Transportation Plan, the level of passenger fares and charges is sufficient to enable the operator or transit service claimant to meet the fare revenue requirements; the claimant is making full use of federal funds

**ATTACHMENT C**

**Los Angeles County Metropolitan Transportation Authority  
FY2026 Transit Fund Allocations**

available under the Urban Mass Transportation Act of 1964; the sum of the claimant's allocations from the State Transit Assistance fund and from the Local Transportation Fund does not exceed the amount the claimant is eligible to receive during the fiscal year; and that priority consideration has been given to claims to offset reductions on federal operating assistance and the unanticipated increase in the cost of fuel, to enhance existing public transportation services, and to meet high priority regional, countywide, or area wide public transportation needs.

- 3.0 The Board of Directors hereby finds that, for the purposes specified in Section 6730, the operators eligible for funding have made reasonable efforts to implement the productivity improvements recommended pursuant to PUC Section 99244. A certification by the Department of the California Highway Patrol verifying that the operator is in compliance with Section 1808.1 of the Vehicle Code, has been remitted. The operator is in compliance with the eligibility requirements of PUC Section 99314.6 or 99314.7.
- 4.0 The Board of Directors hereby authorizes that the operators listed in Attachment A are eligible to receive State Transit Assistance funds.
- 5.0 The Board of Directors hereby authorizes that the operators may receive payments upon meeting the requirements of the STA eligibility test and submittal of TDA and STA claims.

**CERTIFICATION**

The undersigned, duly qualified and acting as the Board Clerk of the Los Angeles County Metropolitan Transportation Authority, certifies that the foregoing is a true and correct representation of the Resolution adopted at a legally convened meeting of the Board of Directors of the Los Angeles County Metropolitan Transportation Authority held on June 26, 2025.

COLLETTE LANGSTON  
Board Clerk

DATED:  
(SEAL)

Los Angeles County Metropolitan Transportation Authority  
FY26 Transit Fund Allocations

**Summary of Significant Information, Methodologies & Assumptions  
for Revenue Estimates**

- Sales tax is projected to be \$1,070,0 million per ordinance, a decrease of 7.4% over the FY25 estimated revenue of \$1,156,0 million.
- Assumed Consumer price index (CPI) growth of 3.0% represents a composite index from several economic forecasting sources.
- Senate Bill (SB) 1, known as the Road Repair and Accountability Act of 2017, allocates formula funds to transit agencies for two different programs: 1) State of Good Repair (SGR) and 2) State Transit Assistance. SGR is a program funded by the increase in Vehicle License Fees. To be eligible for SGR funding, eligible transit agencies must comply with various reporting requirements. The second program augments the base of the State Transit Assistance program with a portion of the new sales tax on diesel fuel. Recipients are asked to provide supplemental reporting on the augmented State Transit Assistance funding received each fiscal year to allow for transparency and accountability of all SB 1 expenditures. Recipients are asked to report on the general uses of STA expenditures. These funds are allocated using FAP calculation methodology to Included and Eligible Operators.
- Pursuant to section 130004, up to 1 percent of annual TDA revenues shall be allocated to Metro and up to  $\frac{3}{4}$  percent shall be allocated to Southern California Association of Governments (SCAG) for transportation planning and programming process. Beginning in FY20, Metro increased the TDA planning allocation to the full 1 percent of annual TDA revenues for Metro.
- Formula Equivalent funds are allocated by formula to Eligible Operators as defined in Section 99207.5 of the TDA guidelines, in lieu of TDA, STA, and Prop A 40% Discretionary funds. The source of these funds is 95% of the 40% Proposition A growth over the Consumer Price Index (CPI).
- Federal formula grants (urbanized Formula Section 5307, Bus and Bus Facilities Section 5339, and State of Good Repair Section 5337) are presented for budgetary purposes only and will be adjusted upon receipt of the final apportionments. Values included in the allocation of federal funding assume Congressional action to fully fund formula allocations in the amount represented in the Infrastructure Investment and Jobs Act (IIJA).
- Federal Sections 5307 and 5339 are calculated using the Capital Allocation Procedure (CAP) as adopted by the Bus Operations Subcommittee (BOS). Section 5337 is calculated based on the directional route miles and vehicle revenue miles formula used by the Federal Transit Administration (FTA).

Los Angeles County Metropolitan Transportation Authority  
FY26 Transit Fund Allocations

Operators' shares of Sections 5339 and 5337 will be exchanged with Metro's share of Section 5307 allocation.

### **Bus Transit Subsidies (\$1,544.3M)**

#### **Formula Allocation Procedure (\$884.8M)**

Allocations of transit subsidy funds (STA, TDA Article 4, and Proposition A 95% of 40% Discretionary) are based on the Formula Allocation Procedure (FAP) that was adopted by the Los Angeles County Metropolitan Transportation Authority (LACMTA) Board of Directors and legislated through SB 1755 (Calderon – 1996). Los Angeles County Included and Eligible Operators' Transit Performance Measures (TPM) data is used for the FAP calculations. This data was validated and used in the calculations. The FAP uses 50% of operators' vehicle service miles and 50% of operators' fare units. (fare units are defined as operators' passenger revenues divided by operators' base cash fare).

In November 2008, the Board approved a Funding Stability Policy, where operators who increase their fares will have their fare units frozen at their level prior to the fare increase until such time that fare unit calculation based on the new higher fare becomes greater than the frozen level.

In FY08, the Board allocated \$18.0 million from the Prop A GOI fund to assist Tier 2 Operators, including LADOT Community Dash, Glendale, Pasadena, and Burbank fixed route transit programs. This allocation, based on the same methodology as the FAP, did not impact the existing Included and Eligible Operators. The program provided annual funding of \$6.0 million starting in FY11 and continued this funding level each year until FY24. Following the Board's approval, the funding cap was increased to \$8.2 million for FY24, with future annual allocations to be adjusted based on the Consumer Price Index (CPI). In FY26, Tier 2 operators will receive \$8.7 million in funding.

#### **Measure R Allocations (\$217.5M)**

- **Measure R 20% Bus Operations (\$207.5M)**

Measure R, approved by voters in November 2008, allocates 20% of the revenues for bus service operations, maintenance, and expansion. The 20% bus operations share is allocated using FAP calculation methodology to Included and Eligible Operators.

- **Clean Fuel Bus Capital Facilities and Rolling Stock Fund (\$10.0M)**

The Measure R ordinance also provides a lump sum allocation of \$150.0 million over the life of the ordinance for clean fuel and bus facilities. This fund is allocated to Metro and LA County Municipal Operators at \$10 million every even year.

**Measure M 20% Transit Operations (\$205.3M)**

Measure M was approved by voters of Los Angeles County in November 2016 to improve transportation and ease traffic congestion. As defined in Section 3 of the Measure M Ordinance, the 20% Transit Operations share is allocated according to FAP calculation methodology to Included and Eligible Operators.

**Proposition C 5% Security (\$42.7M)**

Ninety percent of Proposition C 5% Security fund is allocated to Los Angeles County transit operators and Metro Operations for security services. State law requires that each operator's share of funds be based on its share of unlinked boardings to total Los Angeles County unlinked boardings. The remaining ten percent is allocated to Metro to mitigate other security needs.

**Proposition C 40% Discretionary Programs (\$71.1M)**

The following programs are funded with Prop C 40% Discretionary funds:

- **Municipal Operators Service Improvement Program (MOSIP).** MOSIP was adopted by the Board in April 2001. The program is intended to provide bus service improvements to the transit dependent in Los Angeles County by reducing overcrowding and expanding services. In the past, funding was increased by 3% from the previous year's funding level. All Municipal Operators participate in this program and funds are allocated according to FAP calculation methodology.
- **Zero-Fare Compensation.** The City of Commerce is allocated an amount equivalent to its FAP share as compensation for having zero fare revenues.
- **Foothill Mitigation.** This fund is allocated to operators to mitigate the impact of Foothill becoming an Included Operator. The Foothill Mitigation Program is calculated similarly to the TDA and STA portion of the normal FAP, except that Foothill's data is frozen at its pre-inclusion level. The result of this calculation is then deducted from the TDA and STA portion of the normal FAP to arrive at the Foothill Mitigation funding level. This methodology was adopted by the BOS in November 1995.
- **Transit Service Expansion Program (TSE).** Created in 1990 to increase ridership by providing funds for additional services to relieve congestion, the TSE Program continues for eight Municipal Operators including Culver City, Foothill Transit, Gardena, Long Beach, Torrance, Antelope Valley, Santa Clarita, and LADOT for expansion or introduction of fixed-route bus service in congested corridors. Metro Operations does not participate in this program.

Los Angeles County Metropolitan Transportation Authority  
FY26 Transit Fund Allocations

- **Base Re-Structuring Program (Base-Re).** The Base Restructuring Program continues for four Municipal Operators who added service before 1990. These operators are Commerce, Foothill Transit, Montebello, and Torrance.
- **Bus Service Improvement Program (BSIP).** Created in 1996 to provide additional buses on existing lines to relieve overcrowding, Metro Operations and all other Los Angeles County transit operators participate in this program, except for Claremont, Commerce, and La Mirada.

**Senate Bill 1 (\$122.9M)**

The following programs are funded with SB1:

- **State Transit Assistance (\$89.3M)**
- **State of Good Repair (\$33.6M)**

SB1 funds are allocated based on Measure R allocation methodology.

**Local Subsidies (\$863.1M)**

**Proposition A Incentive Programs (\$18.3M)**

In lieu of TDA Article 4.5, five percent (5%) of Proposition A 40% Discretionary funds have been allocated to local transit operators through the Board-adopted Incentive Program guidelines. Programs include the Sub-Regional Paratransit Program (\$10.3M), the Voluntary NTD Reporting Program (\$5.8M) and the Sub-Regional Grant Projects (\$2.2M).

Under the Voluntary NTD Reporting Program, local transit operators report operating data for entitlement to the Federal FTA Section 5307 funds. Operators participating in the Voluntary NTD Reporting Program and who are not receiving Sub-Regional Paratransit funds are allocated an amount equal to the Federal FTA Section 5307 funds they generate for the region.

Under the Sub-Regional Grant Projects, Avalon's Ferry, which provides a lifeline service for residents commuting between Avalon and the mainland, will receive \$800,000, and Avalon Transit Services will receive \$200,000 in subsidy funding. Additionally, the Hollywood Bowl Shuttle Service will receive \$1,057,000.

**Local Return (\$802.2M)**

Proposition A 25% (\$254.1M)  
 Proposition C 20% (\$210.8M)  
 Measure R 15% (\$158.1M)  
 Measure M 17% (\$179.2M)

Los Angeles County Metropolitan Transportation Authority  
FY26 Transit Fund Allocations

Local Return estimates are apportioned to all Los Angeles County cities and the County of Los Angeles based on population shares according to state statutes and Proposition A, Proposition C, Measure R and Measure M ordinances.

### **TDA Article 3 funds (\$9.3M)**

TDA Article 3 funds are for Bicycle and Pedestrian Facilities and are split into two parts:

- Fifteen percent (15%) of TDA Article 3 funds are allocated towards the maintenance of regionally significant Class I bike paths as determined by LACMTA policy and in current TDA Article 3 Guidelines. This portion is divided between the two largest jurisdictions, with 30% allocated to the City of Los Angeles and 70% allocated to the County of Los Angeles.
- Eighty-five percent (85%) of the funds are allocated to all Los Angeles County cities and the County of Los Angeles based on population shares. TDA Article 3 has a minimum allocation amount of \$5,000. The City of Industry has opted out of the TDA Article 3 program indefinitely. The Street and Freeway Subcommittee and the Technical Advisory Committee (TAC) approved this redistribution methodology in prior years, and it remains unchanged.

### **TDA Article 8 funds (\$33.4M)**

TDA Article 8 funds are allocated to areas within Los Angeles County, but outside the Metro service area. This includes allocations to Avalon, Lancaster, Palmdale, Santa Clarita, and portions of unincorporated areas of Los Angeles County. The amount of TDA funds for Article 8 allocation is calculated based on the proportionate population of these areas to the total population of Los Angeles County.

### **Federal Funds (\$493.2M)**

#### **Section 5307 Urbanized Formula Program (\$317.4 M)**

The Urbanized Area Formula Funding program (49 U.S.C. 5307) makes Federal resources available to urbanized areas for transit capital and operating assistance in urbanized areas and for transportation related planning. Based on federal revenue estimates for FY26, \$317.4 million in Federal Section 5307 Urban Formula funds are allocated to Los Angeles County transit operators and LACMTA Operations. Eighty-five percent (85%) of these funds have been allocated based on a capital allocation formula consisting of total vehicle miles, number of vehicles, unlinked boardings, passenger revenue and base fare. The 15% Capital Discretionary fund and the 1% Transit Enhancement Act fund have been allocated on a discretionary basis with BOS review and concurrence.

At its April, 2024, meeting, the BOS allocated \$360,000 each year for the next three years to the Southern California Regional Transit Training Consortium (SCRTTC) from

the 15% discretionary fund. SCRTTC provides a training resource network comprised of Community Colleges, Universities, Transit Agencies, and Public and Private Organizations focused on the development and delivery of training and employment of the transit industry workforce that is proficient at the highest standards, practices, and procedures for the industry. The funds will be exchanged with Metro's TDA Article 4 share and disbursed through Long Beach Transit.

### **Section 5339 Bus and Bus Facilities (\$24.3M)**

Section 5339 is a grant program authorized by 49 United States Code (U.S.C) Section 5339 as specified under the Federal Reauthorization Moving Ahead for Progress in the 21st Century or "MAP 21". The Program provides capital funding to replace, rehabilitate and purchase buses, vans, and related equipment, and to construct bus-related facilities. Based on federal revenue estimates for FY26, \$24.3 million is allocated to Los Angeles County operators and Metro operations using the Capital Allocation Procedure adopted by the BOS. Operators' shares are swapped with Metro's share of Federal Section 5307 to minimize the administrative process.

### **Section 5337 State of Good Repair (\$151.5M)**

The State of Good Repair grants program provides financial assistance to public transit agencies that operate rail fixed-guideway and high-intensity motorbus systems for the maintenance, replacement, and rehabilitation of capital assets, along with the development and implementation of transit asset management plans. These funds reflect a commitment to ensuring that public transit operates safely, efficiently, reliably, and sustainably so that communities can offer balanced transportation choices that help to improve mobility, reduce congestion, and encourage economic development.

- **High Intensity Fixed Guideway** - provides capital funding to maintain a system in a state of good repair for rail and buses operating on lanes for exclusive use of public transportation vehicles, i. e. bus rapid transit. Based on federal revenue estimates for FY26, \$142.2 million is allocated to Metro and Municipal operations.
- **High Intensity Motorbus** - provides capital funding to maintain a system in a state of good repair for buses operating on lanes not fully reserved only for public transportation vehicles. Based on federal revenue estimates for FY26, \$9.3 million is allocated to Metro Operations and Los Angeles County operators following the FTA formula: the fund allocated with Directional Route Miles (DRM) data is allocated using the operators' DRM data while the fund allocated with Vehicle Revenue Miles (VRM) data is allocated using the operators' VRM data. Operators' shares are swapped with Metro's share of Federal Section 5307 to minimize administrative process.

Item #2025-0404

# Fiscal Year 2026 Transit Fund Allocations

Finance, Budget & Audit Committee

June 18, 2025

# Background

- Metro responsible for allocating transit funds to transit operators and jurisdictions in Los Angeles County
- Funding for local transportation projects & programs
- Programs funded through this action include:
  - Regional transit funding for transit operators
  - Local Return (Proposition A/C and Measure R/M)
  - Transportation Development Act Article 3 (bike & ped) & Article 8 (unmet transit needs)
- Allocations developed per federal, state, local requirements, and Board adopted policies & guidelines
- Approved and reviewed by:
  - Bus Operations Subcommittee (BOS)
  - Local Transit Systems Subcommittee (LTSS)
  - Technical Advisory Committee (TAC)

# Key Recommendations

- APPROVE \$2.9 billion for FY26 transportation fund allocations (Attachment A):
  - 89 LA County local jurisdictions
  - Transit Operators: Included, Eligible, Tier 2 and Local Transit systems
- Exchanges of Metro funds for transit operator federal & state grants so funds can be drawn down quickly and minimize administrative processes
- Funding actions subject to state and federal funding availability
- Request revision to Included & Eligible Operator Zero Emission Transit Capital Program (ZETCP)-Equivalent allocations due to state cut in Metro's ZETCP grant
- Administrative actions to enable flow of funds
  - Adopt Transportation Development Act resolution
  - Authorize CEO to execute agreements and amendments
