METROPOLITAN TRANSPORTATION AUTHORITY BOARD RULES

(ALSO APPLIES TO BOARD COMMITTEES)

PUBLIC INPUT

A member of the public may address the Board on agenda items, before or during the Board or Committee's consideration of the item for one (1) minute per item, or at the discretion of the Chair. A request to address the Board must be submitted electronically using the tablets available in the Board Room lobby. Individuals requesting to speak will be allowed to speak for a total of three (3) minutes per meeting on agenda items in one minute increments per item. For individuals requiring translation service, time allowed will be doubled. The Board shall reserve the right to limit redundant or repetitive comment.

The public may also address the Board on non agenda items within the subject matter jurisdiction of the Board during the public comment period, which will be held at the beginning and/or end of each meeting. Each person will be allowed to speak for one (1) minute during this Public Comment period or at the discretion of the Chair. Speakers will be called according to the order in which their requests are submitted. Elected officials, not their staff or deputies, may be called out of order and prior to the Board's consideration of the relevant item.

Notwithstanding the foregoing, and in accordance with the Brown Act, this agenda does not provide an opportunity for members of the public to address the Board on any Consent Calendar agenda item that has already been considered by a Committee, composed exclusively of members of the Board, at a public meeting wherein all interested members of the public were afforded the opportunity to address the Committee on the item, before or during the Committee's consideration of the item, and which has not been substantially changed since the Committee heard the item.

In accordance with State Law (Brown Act), all matters to be acted on by the MTA Board must be posted at least 72 hours prior to the Board meeting. In case of emergency, or when a subject matter arises subsequent to the posting of the agenda, upon making certain findings, the Board may act on an item that is not on the posted agenda.

CONDUCT IN THE BOARD ROOM - The following rules pertain to conduct at Metropolitan Transportation Authority meetings:

REMOVAL FROM THE BOARD ROOM The Chair shall order removed from the Board Room any person who commits the following acts with respect to any meeting of the MTA Board:

- a. Disorderly behavior toward the Board or any member of the staff thereof, tending to interrupt the due and orderly course of said meeting.
- b. A breach of the peace, boisterous conduct or violent disturbance, tending to interrupt the due and orderly course of said meeting.
- c. Disobedience of any lawful order of the Chair, which shall include an order to be seated or to refrain from addressing the Board; and
- d. Any other unlawful interference with the due and orderly course of said meeting.

INFORMATION RELATING TO AGENDAS AND ACTIONS OF THE BOARD

Agendas for the Regular MTA Board meetings are prepared by the Board Secretary and are available prior to the meeting in the MTA Records Management Department and on the Internet. Every meeting of the MTA Board of Directors is recorded and is available at www.metro.net or on CD's and as MP3's for a nominal charge.

DISCLOSURE OF CONTRIBUTIONS

The State Political Reform Act (Government Code Section 84308) requires that a party to a proceeding before an agency involving a license, permit, or other entitlement for use, including all contracts (other than competitively bid, labor, or personal employment contracts), shall disclose on the record of the proceeding any contributions in an amount of more than \$250 made within the preceding 12 months by the party, or his or her agent, to any officer of the agency, additionally PUC Code Sec. 130051.20 requires that no member accept a contribution of over ten dollars (\$10) in value or amount from a construction company, engineering firm, consultant, legal firm, or any company, vendor, or business entity that has contracted with the authority in the preceding four years. Persons required to make this disclosure shall do so by filling out a "Disclosure of Contribution" form which is available at the LACMTA Board and Committee Meetings. Failure to comply with this requirement may result in the assessment of civil or criminal penalties.

ADA REQUIREMENTS

Upon request, sign language interpretation, materials in alternative formats and other accommodations are available to the public for MTA-sponsored meetings and events. All requests for reasonable accommodations must be made at least three working days (72 hours) in advance of the scheduled meeting date. Please telephone (213) 922-4600 between 8 a.m. and 5 p.m., Monday through Friday. Our TDD line is (800) 252-9040.

LIMITED ENGLISH PROFICIENCY

A Spanish language interpreter is available at all Committee and Board Meetings. All other languages must be requested 72 hours in advance of the meeting by calling (213) 922-4600 or (323) 466-3876.

ISSUE

This report is the second in a series of budget development updates leading up to the FY21 Budget adoption for Board consideration in May 2020. This update will highlight the FY21 preliminary budget to achieve Metro Vision 2028 of the Transportation Infrastructure Development Program, which includes Transit Expansion, Highways, and Regional Rail.

DISCUSSION

With the passage of Measure M in Fall 2016, Los Angeles County voters secured long term funding for transportation infrastructure development to improve transportation and ease traffic congestion. Since then, Metro's budget has continually grown to expand and improve Transit and Highway systems throughout the County.

The preliminary FY21 Transportation Infrastructure Development Program budget is projected at \$2.4 billion, and is reported under three major groups:

- 1) Transit Expansion: includes Light Rail, Heavy Rail, Bus Rapid Transit Construction and early planning efforts before construction;
- 2) Highways: includes the frontend planning, preliminary engineering and project implementation support for Highway Improvement as approved in Measure M, Measure R, as well as non-Measure R/ Measure M highway related projects;
- 3) Regional Rail: includes Metro Regional Rail projects and Metrolink Operations / Capital Program funding.

Figure 1: FY20 vs FY21 Transportation Infrastructure Development Budget

Transportation Infrastructure Development (\$ in millions)		FY20 Adopted	FY21 Preliminary	Difference
1	Measure R/M Transit Construction	\$ 1,878.1	\$ 1,637.4	\$ (240.7)
2	Measure R/M Transit Planning	88.6	148.6	60.0
3	Program Control & Support	12.0	15.5	3.5
4	Transit Expansion Program Total	\$ 1,978.6	\$ 1,801.5	\$ (177.1)
5	Measure R/M Highway Projects	\$ 307.4	\$ 394.5	\$ 87.1
6	Non-Measure R/M Highway Projects	16.4	17.5	1.1
7	Highways Program Total	\$ 323.8	\$ 412.0	\$ 88.2
8	Metro Regional Rail	\$ 66.8	\$ 67.9	\$ 1.1
9	Metrolink Operating & Capital Projects	111.3	115.5	4.2
10	Regional Rail Program Total	\$ 178.1	\$ 183.4	\$ 5.3
11	Grand Total	\$ 2,480.5	\$ 2,396.9	\$ (83.6)

1) Transit Expansion

Metro continues to expand LA County's rail network, and a full slate of transformational rail projects are advancing in the construction and planning pipelines across multiple years. The cash flow need for transit construction in FY21 is proposed at \$1.6 billion (Figure 2).

The Transit Planning budget line of \$149 million encompasses the first decade and beyond of Measure R and Measure M Projects per Ordinance. These studies will advance transit projects through the early conceptual planning and environmental clearance stages to a state of readiness for future construction activities. In doing so, Metro leverages Measure R and Measure M funds to maximize the potential for additional funding sources.

Figure 2: Transit Expansion Projects

Transit Expansion (\$ in millions)		FY20 Adopted	FY21 Preliminary	Difference

Westside Purple Line Extension Section 1 (WSE PLE1)

The WSE PLE1 FY21 preliminary budget of \$236 million supports the continued advancement of tunneling and station construction activities for the 3.92 mile section alignment through Mid-Wilshire. Overall Section 1 completion is around 56% with a planned Revenue Service Date in 2023.

Westside Purple Line Extension Section 2 (WSE PLE2)

The WSE PLE2 FY21 preliminary budget of \$193 million supports station construction activities, launching of the tunneling boring machine (TBM) for tunneling of the 2.59 mile section alignment through Beverly Hills. Overall Section 2 completion is around 25% with a planned Revenue Service Date in 2025.

Westside Purple Line Extension Section 3 (WSE PLE3)

The WSE PLE3 FY21 preliminary budget of \$410 million supports final design activities, acquisition of vital Right-of-Way parcels and early station construction within the 2.56-mile section alignment through Westwood. Overall Section 3 completion is around 6% with a planned Revenue Service Date in 2027.

Division 20 Portal Widening and Improvements

The Division 20 Portal/Widening Improvements FY21 preliminary budget of \$119 million will advance a critical project needed to meet the headway requirements for the entire Purple Line and extension. FY21 funding will support construction of the portal, site-work and systems components in Downtown LA near the Arts District.

Regional Connector

The Regional Connector FY21 preliminary budget of \$208 million supports station construction and tunneling activities within the 1.9 mile alignment in Downtown LA. Overall project completion is 63% with a planned Revenue Service Date in 2022 (Summer/Fall).

Crenshaw/LAX

The Crenshaw/LAX FY21 preliminary budgets of \$108 million are for critical systems integration testing and Pre-Revenue Operational activities within the 8.5-mile alignment from Crenshaw/Expo to LAX. Overall project completion is 95% with a planned Substantial Completion Date in Fall 2020.

Gold Line Foothill Extension Phase 2B

The Gold Line Foothill Extension Phase 2B FY21 preliminary budget of \$133 million supports the final design effort, early and heavy construction activities beyond Azusa.

Other Significant Transit Projects

The Orange Line BRT Improvements FY21 preliminary budget of \$33 million supports right-of-way acquisitions, final design and advanced utility relocations in the San Fernando Valley.

The East San Fernando Valley Transit Corridor FY21 preliminary budget of \$67 million supports right-of-way acquisitions and advanced utility relocations.

The Airport Metro Connector FY21 preliminary budget of \$113 million supports construction activities to connect the Crenshaw/LAX LRT to LAX at Aviation and 96th street.

Planning Studies for Measure R and Measure M Transit Projects

The Planning Studies preliminary FY21 budget of \$149 million encompasses the first decade and beyond of MR/MM projects. This includes but is not limited to conceptual engineering, environmental clearance, and right-of-way acquisition. Completion of the planning phase supports a state of readiness to advance the project into construction.

2) Highways

The Highway Program continues to grow year over year as a variety of projects enter construction phases. The Highway Program is different from the Transit Construction Program in that completed projects are a non-Metro owned capital asset despite the similarities in delivery and construction installation. For most Highway projects, Metro oversees the planning and early engineering phases, then hands the project over to Caltrans to execute right-of-way acquisitions and construction. Upon completion, Highway projects are capitalized as a Caltrans asset with Caltrans assuming primary responsibility for operations and maintenance.

Total Highway Program FY21 preliminary budget is \$412 million, representing an \$88 million increase from FY20's adopted budget of \$324 million (Figure 3), driven primarily by real-estate acquisition.

Figure 3: Highway Program

* Budget for this project is for the Transportation System Management/Transportation Demand Management projects.

The preliminary budget is largely comprised of the MR/MM funded projects and includes funding for the Sub-Regional Highway Program. A semi-annual report is also provided by the Highway Department under Program Management to update the Board on the status of Sub-Regional Highway Projects.

3) Regional Rail

Metro's Regional Rail program consists of Metro's Operating and Capital support of the Metrolink commuter rail system as well as Metro managed regional rail capital expansion, development, construction, and corridor studies as shown in Figure 4.

Figure 4: Preliminary FY21 Regional Rail Program

Metro Regional Rail - Overview

Metro is responsible for overseeing the planning, programming and implementation of commuter rail projects in LA County that are or will be operated by other agencies such as Southern California Regional Rail Authority (aka "Metrolink"), Amtrak, California High Speed Rail Authority, and freight. Metro also manages and coordinates capital improvement projects along approximately 150 miles of Metro owned and Metrolink operated railroad right-of-way.

Metro Regional Rail - Capital Improvements

The LINK US project at Los Angeles Union Station (LAUS) will expand the overall capacity and operational efficiency of LAUS for rail operations. The FY21 increase is driven by the expected acquisition of real estate parcels adjacent to the station. Other major activities include property acquisition, final design and procurement for the Rosecrans/Marquardt grade crossing project, identified by the State of California as the top priority grade crossing separation project in the state, and design for the Brighton to Roxford double tracking project in the east San Fernando Valley.

Metrolink Commuter Rail

Funding for Metrolink commuter rail operations anticipates maintaining service as current levels, with minor increases in funding to accommodate labor, overhead and contractual increases. Also included in the budget is Metro's support for the 25% San Bernardino fare discount program, enhanced fare enforcement and security on the Antelope Valley Line, and funds to operate special train service to select events such as Ram/USC games, the annual Women's March and other events. Funding is also included to ensure the cash flow requirements of previously approved capital and state of good repair projects continue uninterrupted.

DETERMINATION OF SAFETY IMPACT

This recommendation will not have an impact on safety standards at Metro.

FINANCIAL IMPACT

The assumptions described above are the budget planning parameters, and will guide the development of the FY21 Budget. They may be adjusted as more specific and updated information becomes available.

IMPLEMENTATION OF STRATEGIC PLAN GOALS

Recommendation supports the following Metro Strategic Plan Goal:

Goal # 5: Provide responsive, accountable, and trustworthy governance within the Metro Organization.

ALTERNATIVES CONSIDERED

The annual budget serves as the legal authority to obligate and spend funds. Failure to adopt the budget would severely impact Metro's stated goal of improving transportation in Los Angeles County.

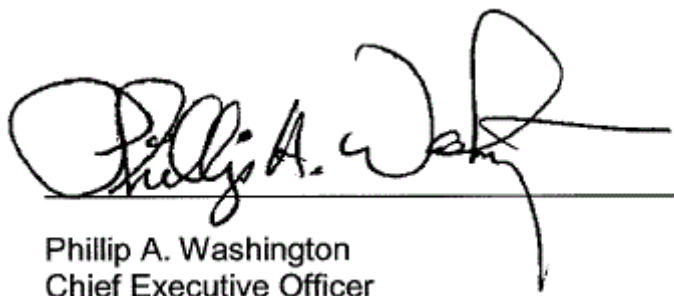

NEXT STEPS

Metro staff will continue to finalize the FY21 Budget Proposal and provide monthly receive-and-file update reports until Budget Adoption. Staff will also conduct outreach to stakeholder groups for in-depth and technical discussions of Transit Services and Transportation Programs included in the FY21 Proposed Budget.

FINANCE, BUDGET AND AUDIT COMMITTEE FEBRUARY 19, 2020

SUBJECT: MANAGEMENT AUDIT SERVICES FY 2020 SECOND QUARTER REPORT

ACTION: RECEIVE AND FILE

RECOMMENDATION

RECEIVE AND FILE Management Audit Services (MAS) quarterly report for the period ending December 31, 2019.

ISSUE

MAS is required to provide a quarterly activity report to Metro's Board of Directors that includes information on audits that have been completed or in progress including information related to audit follow-up activities.

BACKGROUND

It is customary practice for Metro's Management Audit Services to deliver the quarterly audit report. This report covers Q2 of FY2020.

DISCUSSION

MAS provides audit support to Metro's Chief Executive Officer (CEO) and the CEO's senior leadership team in support of the agency's ability to provide responsive, accountable and trustworthy governance. The department performs internal or external audits. Internal audits evaluate the processes and controls within the agency while external audits analyze contractors, cities and/or non-profit organizations that are recipients of Metro funds. The department delivers management audit services through functional groups which are Performance Audit; Contract; Financial and Compliance Audit; and Audit Support. Performance Audit is primarily responsible for all audits related to Operations, Finance and Administration, Planning and Development, Program Management, Information Technology, Communications, Risk, Safety and Asset Management including the Chief Executive Office and other internal departments. Contract, Financial and Compliance Audit are responsible for external audits in Planning and Development, Program Management and Vendor/Contract Management. MAS's functional units provide assurance to the public that internal processes are efficiently, economically, ethically, and equitably performed by conducting audits of

program effectiveness; and results in economy and efficiency, internal controls, and compliance. Audit Support is responsible for administration, financial management, budget coordination, and audit follow-up and resolution tracking.

The summary of MAS activity for the quarter ending December 31, 2019 is as follows:

Internal Audits: Four internal audits were completed during the second quarter; and 10 internal audits were in progress.

Contract, Financial and Compliance Audits: Four contract, financial and compliance audits with a total value of \$14 million were completed during the second quarter; and 67 contract, financial and compliance audits were in progress.

Other Audits: Seventeen other audits were issued by external CPA firms.

Audit Follow-up and Resolution: Fifteen recommendations were closed during the second quarter.

*Note: MAS performs audit follow-up for the Office of Inspector General (OIG) which two OIG recommendations were closed during the reporting period.

Management Audit Services' Second Quarter FY2020 report is included as Attachment A.

IMPLEMENTATION OF STRATEGIC PLAN GOALS

Approval of this item supports Metro Vision 2028 Goal #5: Provide responsive, accountable, and trustworthy governance within the Metro organization.

NEXT STEPS

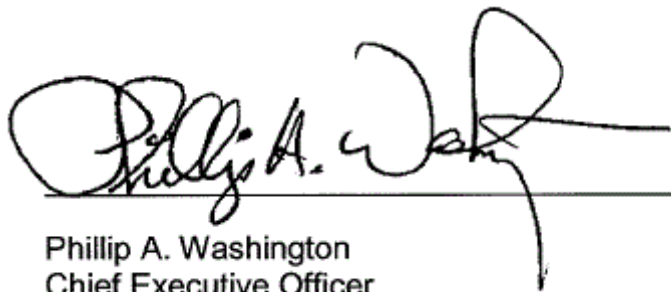

Management Audit Services will submit the Receive and File report for Q3 FY2020 audit activity in May 2020.

EXECUTIVE SUMMARY

Summary of In Progress Audit Activity

Management Audit Services (MAS) have seventy-seven in progress projects as of December 31, 2019; which include 10 internal audits and 67 contract, financial and compliance audits. The in progress internal audits are listed in Appendix A.

There are 50 open audit recommendations as of December 31, 2019. In addition, there are 96 open OIG audit recommendations.

EXECUTIVE SUMMARY

Summary of Q2 Completed Audit Activity

MAS completed 25 projects and closed 17 recommendations during Q2 FY 2020, October 1 through December 31, 2020.

The projects comprised of 4 internal audits; 4 contract, financial and compliance audits; 17 other audits and are as follow:

Internal Audits

- Independent Auditor's Compliance Report on Metro's Business Interruption Fund (BIF) Pilot Program;
- Independent Accountant's Report on Agreed-Upon Procedures over Assets Purchased by Metro for Los Angeles County Sheriff's Department (LASD);
- Performance Audit of the Rail Communications Systems; and
- Performance Audit of the Supervisory Control and Data Acquisition (SCADA) Security Controls.

Contract, Financial and Compliance Audits

- Independent Auditor's Report on Agreed-Upon Procedures for the Close-out Incurred Cost of Gateway Cities' Goods Movement National Highway System (NHS) Access Design and Implementation Project – Phase II;
- Independent Auditor's Report on Agreed-Upon Procedures for the Close-out Incurred Cost of County of Los Angeles' Del Amo Boulevard Improvements from Vermont Avenue to Western Avenue Project;
- Independent Auditor's Report on Agreed-Upon Procedures of ILF Consultants, Inc.'s final indirect cost rates for fiscal year 2017 for the Division 20 Portal Widening Turnback Project; and
- Independent Auditor's Report on Agreed-Upon Procedures of LKG-CMC, Inc.'s final indirect cost rates for fiscal years ending September 30, 2011 and September 30, 2012 for the Regional Connector Transit Corridor Project.

Other Audits

- Seventeen other audits issued by external Certified Public Accountant (CPA) firms.

Audit Follow-Up:

- Fifteen recommendations were closed during the second quarter. In addition, MAS closed two OIG recommendations.

EXECUTIVE SUMMARY

The following chart identifies the functional areas which MAS staff focused efforts during Q2 FY 2020:

The internal audits are highlighted on page 4. The completed contract, financial and compliance audits are highlighted on page 5. The other audits issued by external CPA firms are highlighted on page 6. A summary of closed and open audit recommendations for MAS and OIG are included on page 9.

INTERNAL AUDITS

The following four internal audits were issued in Q2 FY 2020:

Performance Audit of the Supervisory Control and Data Acquisition (SCADA) Security Controls

MAS contracted with BCA Watson Rice LLP (BCA), the independent external auditing firm, to conduct a performance audit of Metro's SCADA system. The audit objective was to determine the adequacy of the security for the SCADA system. BCA found that overall the SCADA System has security measures in place and staff go through great lengths to protect the security of the SCADA System. Management concurred with all recommendations and is implementing the corrective actions.

Performance Audit of the Rail Communications Systems

MAS contracted with BCA to conduct a performance audit of the Rail Communications (RailComm) Systems security. The audit objective was to determine the adequacy of the security of the Rail Communications Systems. BCA found that overall the RailComm Systems have security measures in place and the staff go through lengths to protect the security of its system and operations. Management concurred with all recommendations and is implementing the corrective actions.

Independent Accountant's Report on Agreed-Upon Procedures over Assets Purchased by Metro for Los Angeles County Sheriff's Department (LASD)

MAS contracted with BCA to provide a report on agreed-upon procedures over assets purchased by Metro for LASD contracts. The engagement was part of the Board approved FY19 Annual Audit Plan. The scope of engagement was to assist Metro in confirming the existence, condition and current disposition of assets purchased by Metro, but deployed and managed by LASD under security service contracts between Metro and LASD from 2008 through September 2019.

The auditors found that all, but one of 64 assets tested were accounted for, and LASD confirmed possession of the one missing asset. Fifty-seven (57) assets were verified by physical inspection and remain in service. The others were disposed of, reassigned or are in Metro custody. Metro and LASD management will work together to resolve issues noted related to the ownership and disposition of some of the assets.

Independent Auditor's Compliance Report on Metro's Business Interruption Fund (BIF) Pilot Program

MAS contracted with BCA to complete an independent auditor's report on Pacific Coast Regional Small Business Development Corporation's (PCR) annual compliance with Metro's BIF Administrative Guidelines and Fund Disbursement Procedures. The engagement was part of the Board approved FY19 Annual Audit Plan. The auditors found that PCR complied, in all materials respects, with Metro's BIF Administrative Guidelines and Fund Disbursement Procedures during the period March 1, 2018 to February 28, 2019.

CONTRACT, FINANCIAL AND COMPLIANCE AUDITS

MAS' Contract, Financial and Compliance Audit unit conducts audits of Planning and Development's Call-for-Projects program, Program Management's highway projects, federally funded transportation programs, including various other transportation related projects and Caltrans projects. The purpose of the Contract, Financial and Compliance Audit is to ensure that funds are expended in accordance with the terms of the grants and/or contracts including federal cost principles.

MAS staff completed four contract, financial and compliance audits during Q2 FY 2020. MAS staff reviewed \$14 million of funds and identified \$2.8 million or 20% of funds that may be reprogrammed.

Details on Contract, Financial and Compliance Audits completed during Q2 FY 2020 are included in Appendix B.

OTHER AUDITS

Other audits completed during Q2 FY 2020 by external CPA firms include:

Gateway Center Basic Financial Statements – Issued November 2019

Metro acquired the Union Station and Gateway Center properties in April 2011 and entered into a Leasing and Operations Management Agreement with Morlin Asset Management for the management and operations of the Gateway Center and Union Station.

We contracted BCA to conduct an audit of the financial statements for this entity for the year ended June 30, 2019. The auditor found that the financial statements present fairly, in all material respects, the financial position of each entity.

Los Angeles Union Station Property Basic Financial Statements – Issued November 2019

Metro acquired the Union Station and Gateway Center properties in April 2011 and entered into a Leasing and Operations Management Agreement with Morlin Asset Management for the management and operations of the Gateway Center and Union Station.

We contracted BCA to conduct an audit of the financial statements for this entity for the year ended June 30, 2019. The auditor found that the financial statements present fairly, in all material respects, the financial position of each entity.

Metro ExpressLanes Fund Financial Statements – Issued November 2019

Metro ExpressLanes started as a one-year demonstration program that tested innovations to improve existing transportation systems in three sub-regions: San Gabriel Valley, Central Los Angeles, and South Bay. The first Metro ExpressLanes commenced revenue operations in November 2012 on the I-110 Harbor Freeway, between Adams Blvd. and the 91 freeway. The second began revenue operations in February 2013 on the I-10 El Monte Freeway between Alameda St. and the 605 Freeway. In April 2014, the Board voted unanimously to make the ExpressLanes on the I-110 and I-10 Freeways permanent. Later that year the California State Legislature approved a motion making the toll lanes permanent in Los Angeles and that the Governor sign it to become official.

An audit of the financial statements of Metro ExpressLanes, an enterprise fund of Metro, was performed by BCA for the fiscal year ended June 30, 2019. BCA found that the financial statements present fairly, in all material respects, the financial position of the Metro ExpressLanes Fund as of June 30, 2019.

PTSC-MTA Risk Management Authority (PRMA) Basic Financial Statements – Issued November 2019

In October 1998, the Public Transportation Services Corporation (PTSC) and Metro entered into a joint powers agreement to create the PRMA for the purpose of establishing and operating a program of cooperative self-insurance and risk management. PRMA receives all its funding from Metro and PTSC. As PTSC also receives its funding from Metro, PRMA is a component unit of Metro and is included in its financial statements as a blended component unit.

OTHER AUDITS

An audit of PRMA's financial statements by an independent CPA firm is required annually. We contracted BCA to conduct the audit for the fiscal year ended June 30, 2019. BCA found that the financial statements present fairly, in all material respects, the financial position of PRMA as of June 30, 2019.

Schedule of Revenues and Expenditures for Proposition A and Proposition C Special Revenue Funds – Issued November 2019

The MTA Reform and Accountability Act of 1998 requires the completion of an independent audit to determine compliance by Metro with the provisions of Propositions A and C.

BCA completed the Independent Auditor's Report on Schedule of Revenues and Expenditures for Proposition A and Proposition C Special Revenue Funds, which fulfills the requirement for the year ended June 30, 2019. The auditor found that the schedules present fairly, in all material respects, the Proposition A and Proposition C Revenues and Expenditures of LACMTA for the fiscal year ended June 30, 2019. As required by law, BCA presented the results of the audit to the Independent Citizen's Advisory Oversight Committee in February 2020.

Schedule of Revenues and Expenditures for Measure R Special Revenue Fund – Issued November 2019

The voter approved Measure R Ordinance mandates that an annual audit be conducted after the end of the fiscal year to ensure that the Metro complies with the terms of the Ordinance related to the receipt and expenditure of sales tax revenues during the fiscal year.

BCA completed the Independent Auditor's Report on Schedule of Revenues and Expenditures for Measure R Special Revenue Fund, which fulfills the requirement for the year ended June 30, 2019. The auditor found that the schedule present fairly, in all material respects, the Measure R Revenues and Expenditures of LACMTA for the fiscal year ended June 30, 2019, in accordance with accounting principles generally accepted in the United States of America. As required by law, BCA will present their audit report to the Measure R Independent Taxpayers Oversight Committee.

Schedule of Revenues and Expenditures for Measure M Special Revenue Fund – Issued November 2019

The voter approved Measure M Ordinance mandates that an annual audit be conducted after the end of the fiscal year to ensure that the Metro complies with the provisions of the Ordinance related to the receipt and expenditure of sales tax revenues during the fiscal year.

BCA completed the Independent Auditor's Report on Schedule of Revenues and Expenditures for Measure M Special Revenue Fund, which fulfills the requirement for the year ended June 30, 2019. The auditor found that the schedule present fairly, in all material respects, the Measure M Revenues and Expenditures of LACMTA for the fiscal

OTHER AUDITS

year ended June 30, 2019, in accordance with accounting principles generally accepted in the United States of America. As required by law, BCA will present their audit report to the Measure M Independent Taxpayer Oversight Committee in March 2020.

Regional Transit Access Pass (TAP) Service Center TAP Settlement and Clearing Account – Basic Financial Statements – Issued November 2019

Los Angeles TAP was created by Metro through Board action to implement a region-wide universal fare system which provides a fully integrated, electronic fare collection system that allows seamless multi-modal travel throughout the region using smart card technology. This universal fare system is known today as the Regional TAP Program. The Regional TAP Program is managed by the Regional TAP Service Center utilizing Metro staff resources.

We contracted BCA to conduct an audit of the financial statements for the year ended June 30, 2019. The auditor found that the statement of net position present fairly, in all material respects, the financial position of the Regional TAP Service Center Settlement and Clearing Accounts as of June 30, 2019.

Basic Financial Statements and Component Audits – All parts issued by December 2019

Metro is required to be audited annually by independent certified public accountants. The resulting reports include Metro's basic financial statements and following component audits for the year ended June 30, 2019:

- Comprehensive Annual Financial Report;
- Single Audit Report for fiscal year ended June 30, 2019;
- Federal Funding Allocation Data for the Transportation Operating Agency (ID# 90154) for the fiscal year ended June 30, 2019;
- Transportation Development Act Operations Agency for the fiscal year ended June 30, 2019;
- Transportation Development Act Schedule of Revenues, Expenditures and Changes in Fund Balances for the fiscal year ended June 30, 2019;
- State Transit Assistance Special Revenue Fund's financial statements as of and for the years ended June 30, 2019 and 2018;
- Crenshaw Project Corporation (A Component Unit of the Los Angeles County Metropolitan Transportation Authority) financial statements as of June 30, 2019;
- Service Authority for Freeway Emergencies (A Component Unit of the Los Angeles County Metropolitan Transportation Authority) financial statements for the year ended June 30, 2019; and
- Low Carbon Transit Operations Program (LCTOP) and Report on Internal Control over Compliance for the fiscal year ended June 30, 2019.

Crowe, the independent external auditor, issued unmodified opinions on all audit reports for FY19, meaning that all financial statements for FY19 were fairly presented and that Metro complied in all material respects with the applicable financial reporting framework and compliance requirements respectively.

Open Audit Recommendations as of December 31, 2019						
No.	Area	Audit Number & Title	Rec. No.	Recommendation	Original Completion Date	Extended Completion Date
1	Communications	16-COM-P01 Special Fares Programs	21	We recommend the Communications Department to renew the agreement with the Court to confirm mutual agreement. Update: MOU is in the final stages. Metro Commute Services (MCS) is obtaining input from County Counsel.	3/31/2017	12/31/2019
2	Operations	17-OPS-P07 Performance Audit of the Track Allocation Process	4a	We recommend the Chief Operations Officer consider directing Rail Operations to add more fields in the electronic Track Allocation Request Form to assist Rail Operations Controllers in minimizing some of their manual entries. For example, the Track Allocation Request Form could be further configured to include a check box indicating if the schedule was activated or not, as well as the time and date it was activated, and a drop down menu to include reasons for schedule modification. Update: This recommendation is about 30% complete. Operations is developing an electronic Track Allocation Form/Schedule, integrating System Generated Special Events Calendar, generating an electronic Work Permit, and generating System Reports.	6/30/2019	4/30/2020
3	Operations	17-OPS-P07 Performance Audit of the Track Allocation Process	4b	We recommend the Chief Operations Officer consider directing the Track Allocation Coordinator to measure effectiveness of schedules by periodically assessing whether crews that were scheduled to access the ROW actually accessed the ROW. This will provide visibility to the stakeholders as well as assist the Track Allocation Coordinator in modifying future schedules. This periodic review will only be possible once the data from the newly implemented log has been collected. Update: Pending completion of recommendation 4a.	6/30/2019	4/30/2020
4	Finance & Budget	16-VCM-P01 Performance Audit of Purchase Card (P-Card) Program	4	We recommend that Accounts Payable coordinate with Information Technology Systems and the Agency Program Coordinator to automate the approval process to improve processing time of P-Card statements as well as authentication of the approvers. Update: Accounting staff met with ITS to discuss the approval process automation project for P-Card. Based on current workload, approval workflow, testing and user training will be implemented by March 31 2020.	8/30/2019	3/31/2020
5	Systems Security and Law Enforcement	18-RSK-P01 Performance Audit of Vendor / Contract Management's (V/CM's) Continuity of Operations Plan (COOP)	1a	We recommend that the Emergency Management Unit collaborate with the business units, starting with V/CM, to ensure that the business unit COOPs, and all related documents (e.g., SOPs), include the essential content necessary to support the agency-wide program.	6/30/2020	

Any findings that have not been corrected 90 days after the due date are reported as late.

Open Audit Recommendations as of December 31, 2019						
No.	Area	Audit Number & Title	Rec. No.	Recommendation	Original Completion Date	Extended Completion Date
6	Vendor/Contract Management	18-RSK-P01 Performance Audit of Vendor / Contract Management's (V/CM's) Continuity of Operations Plan (COOP)	1b	We further recommend that over the next 12 to 18 months, V/CM should consider focusing its efforts on completing and including the following content with Emergency Management's support and guidance: criteria for COOP activation and relocation decisions; flow charts and decision trees; step-by-step instructions applicable to Gateway or agency-wide emergencies; names, titles and contact details such as phone numbers and emails for all continuity personnel (e.g., Advance Team, CMG, and successors); distribution and logistics dependencies, such as MEFs, mission essential systems, records, databases, supplies and equipment; mission essential records and database storage locations.	10/30/2020	
7	Vendor/Contract Management	18-RSK-P01 Performance Audit of Vendor / Contract Management's (V/CM's) Continuity of Operations Plan (COOP)	2	We recommend that V/CM management review and reassess the COOP and SOPs periodically to verify that any resulting updates are implemented, including updating V/CM's COOP contact details in the event of key personnel changes.	4/30/2020	
8	Vendor/Contract Management	18-RSK-P01 Performance Audit of Vendor / Contract Management's (V/CM's) Continuity of Operations Plan (COOP)	3	We recommend that V/CM management work with Emergency Management to arrange for COOP execution training by an emergency management expert concurrently with each annual update.	7/31/2020	
9	Program Management	18-RSK-P01 Performance Audit of Vendor / Contract Management's (V/CM's) Continuity of Operations Plan (COOP)	4	We recommend that the Chief Program Management Officer take the lead role in collaborating with all responsible parties, such as V/CM, Project Delivery Third Party Coordination, County Counsel, etc., to establish agreements with utility companies to guarantee service continuity and restoration in emergency situations.	3/31/2020	
10	Vendor/Contract Management	18-RSK-P01 Performance Audit of Vendor / Contract Management's (V/CM's) Continuity of Operations Plan (COOP)	5	We recommend that V/CM management consider referencing all the existing COOP-related SOPs to the COOP and/or attaching them as appendices to the COOP, doing the same to the SOPs under development as they are completed.	10/30/2020	
11	Planning & Development	18-CON-P01 Performance Audit of the Regional Connector Transit Corridor Project	2	We recommend Metro's Countywide and Planning Development Management to conduct Fiscal Stability Overview and Funding Commitment Inventory analyses annually for the planned capital programs. Update: Closed as of January 2020.	12/31/2019	

Any findings that have not been corrected 90 days after the due date are reported as late.

No.	Area	Audit Number & Title	Rec. No.	Recommendation	Original Completion Date	Extended Completion Date
12	Planning & Development	18-CON-P01 Performance Audit of the Regional Connector Transit Corridor Project	3	We recommend Grants Management and Oversight Unit Strategic Management to review if existing procedures are in-place to corroborate or document the allocation and changes in project revenue streams such as the Lease Revenue and FAST/CMAQ funds in fiscal years, 2020/2021 and 2021/2022. Update: Closed as of January 2020.	6/30/2019	12/31/2019
13	Operations	18-ITS-P01 Performance Audit of the HASTUS System – Implementation of Collective Bargaining Agreement Change	2	We recommend Operations management ensure that Division Staff require Operators to provide a signed VCB request form to prevent the VCB from being erroneously recorded as OCB. Update: Management responded that this will be resolved by the fix to resolve recommendation #4, but the underlying problem requires a change in manual procedures. MAS is following up with Operations to determine whether and how this has been resolved.	9/30/2019	12/31/2019
14	Operations	18-ITS-P01 Performance Audit of the HASTUS System – Implementation of Collective Bargaining Agreement Change	5	We recommend Operations management immediately perform all the needed corrections for underpayments and overpayments for all LIP eligible hours from July 1, 2017 to date.	12/31/2019	
15	Operations	18-ITS-P01 Performance Audit of the HASTUS System – Implementation of Collective Bargaining Agreement Change	6	We recommend Operations management, after completing recommendation number 5 above, partner with ITS to perform periodic true ups to determine any over/underpayment, and submit required corrections to Payroll regularly and in a timely manner until calculations can be automated.	12/31/2019	
16	Operations	18-ITS-P01 Performance Audit of the HASTUS System – Implementation of Collective Bargaining Agreement Change	7	We recommend Operations management reinforce the training with the Division Staff to properly record all LIP eligible hours and pay codes including special conditions for non-certified Line Instructors.	12/31/2019	
17	Operations	18-ITS-P01 Performance Audit of the HASTUS System – Implementation of Collective Bargaining Agreement Change	8	We recommend Operations management collaborate with ITS, in consultation with Employee and Labor Relations, to assess possibilities to automate LIP calculations and reporting as practical in either HASTUS or the Payroll system.	12/31/2019	

Any findings that have not been corrected 90 days after the due date are reported as late.

18	Operations	18-ITS-P01 Performance Audit of the HASTUS System – Implementation of Collective Bargaining Agreement Change	12	We recommend Operations management immediately partner with ITS department in determining any underpayments due to fallback hours, and make timely corrections necessary for all holidays starting May 2018 to date. Update: Management prepared a worksheet of underpayment corrections and provided it to MAS for review in October 2019. MAS review is pending receipt of reference data to confirm this. These corrections are expected to be finalized and submitted to Payroll.	9/30/2019	12/31/2019
19	Systems Security and Law Enforcement	18-RSK-P02 Performance Audit of Finance (Payroll)'s Continuity of Operations Plan	1	We recommend that Emergency Management should coordinate with Payroll to facilitate training and add the additional details to Finance (Payroll)'s COOP and SOPs, including criteria for COOP activation and relocation decisions, flow charts, decision trees and step-by-step instructions.	2/28/2021	
20	Systems Security and Law Enforcement	18-RSK-P02 Performance Audit of Finance (Payroll)'s Continuity of Operations Plan	2	We recommend that Emergency Management should coordinate with Payroll to create an SOP template to include names, titles and contact details (phone numbers and emails) for all continuity personnel, such as the CMG, key continuity positions and successors. Advance team references should state "provided by ITS".	7/31/2020	
21	Systems Security and Law Enforcement	18-RSK-P02 Performance Audit of Finance (Payroll)'s Continuity of Operations Plan	3	We recommend that Emergency Management should coordinate with Payroll to review and assess the COOP and SOPs annually and verify that any resulting updates are implemented.	7/31/2020	
22	Systems Security and Law Enforcement	18-RSK-P02 Performance Audit of Finance (Payroll)'s Continuity of Operations Plan	4	We recommend that Emergency Management should coordinate with Payroll to schedule COOP execution training by an emergency management expert concurrently with each annual COOP update.	7/31/2020	
23	Finance & Budget	18-RSK-P02 Performance Audit of Finance (Payroll)'s Continuity of Operations Plan	5	We recommend that Payroll management update the SOP contact details as requested by Emergency Management on a periodic basis, e.g., quarterly or semi-annually, or when Accounting Administration issues a revised organization chart with changes to Payroll key personnel.	7/31/2020	
24	Finance & Budget	18-RSK-P02 Performance Audit of Finance (Payroll)'s Continuity of Operations Plan	6	We recommend that Payroll management add language for the roster of trained personnel (Appendix E): "ITS will assign personnel at the backup site".	8/30/2020

1	Operations	17-AUD-04 Review of Metro Safety Culture and Rail Operational Safety	13 Total	The 117 recommendations included in this report address findings in Safety Culture, Red Signal Violations, Safety Assessment of Infrastructure Elements, Technology, Operations and Maintenance, Human Resources, and etc. Update: As of January 2020, 108 of 117 recommendations were closed.	Pending	
2	Operations	18-AUD-03 Review of Metro Rail Service Disruptions	9	Set priorities based on Metro's asset assessment as soon as it is completed to reduce delay incidents.	6/30/2019	12/31/2019
3	Operations	18-AUD-03 Review of Metro Rail Service Disruptions	25	Consider converting some P2000 cars running on the MBL/Expo lines back to the MGL operation if the ATO/ATP packages removed earlier are still available. The critical float will be the P2000 MGL cars with their line specific ATO/ATP equipment.	12/31/2020	
4	Operations	18-AUD-03 Review of Metro Rail Service Disruptions	52	Establish a process and a criterion for replacement of existing signal installations that includes useful life of installation, failure rate, obsolescence, service needs, and available funding. While the Metro asset inventory will provide an important resource to this end when it is finished, this system of prioritization should be formalized and implemented in current signal procedures.	6/30/2019	4/30/2020
5	Operations	18-AUD-03 Review of Metro Rail Service Disruptions	57	Establish a process and a criterion for replacement of existing traction power equipment that includes useful life of installation, failure rate, obsolescence, service needs, and available funding. While the Metro asset inventory will provide an important resource when it is finished, this system of prioritization should be formalized and implemented in current signal procedures.	6/30/2019	4/30/2020
6	Communications	18-AUD-04 Increasing Public Transit and Rideshare Use Study	1	Increase marketing to specific audience groups to increase ridership by developing additional marketing programs directly aimed at user groups such as students, business and government entities, and employees "Live Near Your Work" campaigns.	12/31/2019	
7	Communications	18-AUD-04 Increasing Public Transit and Rideshare Use Study	2a	Coordinate with other LA County public agencies to encourage additional use of public transit and participation in rideshare programs, including maximizing allowable transit subsidies over parking subsidies. For example, the City of LA could increase its monthly transit subsidy to be more in line with monthly transit costs.	12/31/2019

8	Communications	18-AUD-04 Increasing Public Transit and Rideshare Use Study	2b	Coordinate with other LA County public agencies to encourage additional use of public transit and participation in rideshare programs, including maximizing allowable transit subsidies over parking subsidies. For example, the County of LA could expand its current commuter programs to provide employees subsidies for using public transit/rideshare for commute trips for all County work locations at a monthly rate closer to actual costs.	12/31/2019	
9	Communications	18-AUD-04 Increasing Public Transit and Rideshare Use Study	3	Explore modifications to Metro's Employer Annual Pass Program to further encourage transit usage, such as the addition of a monthly pass option.	12/31/2019	
10	Communications	18-AUD-04 Increasing Public Transit and Rideshare Use Study	5	Encourage use of public transit at meetings and events where contractors will be present.	12/31/2019	
11	Operations	19-AUD-07 OIG Spot Check - Bus Operator Battery Reset Practices	1	We recommend that Operations Management continue to communicate to bus operators and controllers on a regular basis that the practice of bus operators performing battery shutdowns has ceased.	11/30/2019	
12	Operations	19-AUD-07 OIG Spot Check - Bus Operator Battery Reset Practices	2	We recommend that Operations Management continue to assess and provide the resources required to minimize transit customer delay time given that the battery reset process did fix some operational problems.	11/30/2019	
13	Operations	19-AUD-07 OIG Spot Check - Bus Operator Battery Reset Practices	3	We recommend that Operations Management continue to study what circumstances cause bus field repairs and what specifications might be included in future procurements for systems and devices used in buses to reduce breakdowns and improve bus performance.	11/30/2019	
14	Operations	19-AUD-07 OIG Spot Check - Bus Operator Battery Reset Practices	4	We recommend that Operations Management consider the engineering adjustments necessary for improved safety of operators or others associated with battery resets that might occur by operators regardless of the new guidelines to cease operator battery resets.	11/30/2019	
15	Operations	19-AUD-07 OIG Spot Check - Bus Operator Battery Reset Practices	5	We recommend that Operations Management consider if battery hatches should be locked the way hatches inside the buses are to prevent unauthorized access.	11/30/2019	
16	Operations	19-AUD-07 OIG Spot Check - Bus Operator Battery Reset Practices	6	We recommend that Operations Management consider if further research on what circumstances or problems are corrected by a soft software reset versus a full battery reset, if it is possible to mitigate risks for software diagnostic damages in the event of a battery reset, and if considering the time it takes for a mechanic to arrive, it might be more efficient to allow the performance of the appropriate reset in those cases.	11/30/2019	

Appendix D

OIG Open Audit Recommendations as of December 31, 2019

No.	Area	Audit Number & Title	Rec. No.	Recommendation	Original Completion Date	Extended Completion Date
17	Operations	19-AUD-08 Bus Operator Safety Barrier Use and Effectiveness Study	1	Metro should continue to install the bus operator safety barriers and onboard camera and monitor systems throughout its bus fleet and continue to monitor incident data to further verify the effectiveness of both systems in preventing assaults on bus operators.	10/31/2019	
18	Operations	19-AUD-08 Bus Operator Safety Barrier Use and Effectiveness Study	2a	Metro should ensure data collection is standardized by Metro and all transit security providers and investigators to consistently identify the types of assaults that have occurred, if the bus was equipped with a safety barrier, if the barrier was in use at the time of the assault, and if in use, how it was being used (i.e., top portion only, bottom portion only, or both portions). Standardizing the data in this manner will result in more accurate and consistent data that can be more easily analyzed to identify trends and to measure performance.	10/31/2019	
19	Operations	19-AUD-08 Bus Operator Safety Barrier Use and Effectiveness Study	2b	Metro should ensure data is collected on the type and extent of injuries incurred by bus operators when the safety barriers are in use. This will further aid in determining the effectiveness of the safety barriers (i.e., if bus operator injuries are lessened as a result of the barriers being used) and if design changes or modifications are necessary.	10/31/2019	
20	Operations	19-AUD-08 Bus Operator Safety Barrier Use and Effectiveness Study	3	Metro should ensure that assault trend analysis results are used to review current policing and fare enforcement strategies to determine if law enforcement, Supervisors, and fare enforcement personnel and strategies are being appropriately deployed toward the routes and times of day in most need of Police, Supervisory, or fare enforcement presence.	10/31/2019	
21	Operations	19-AUD-08 Bus Operator Safety Barrier Use and Effectiveness Study	4a	Metro should make the use of the barriers mandatory until Metro can determine if their use contributes to or causes accidents or increases accident frequency. Mandatory use of the barriers is the best way to evaluate their true effectiveness in reducing assaults on bus operators.	10/31/2019	
22	Operations	19-AUD-08 Bus Operator Safety Barrier Use and Effectiveness Study	4b	If the use of the barriers is made mandatory, Metro should collect data to substantiate and study the issues identified by operators as to why they do not use the barriers. Metro can then take corrective action, such as design changes and modifications to the barriers, if accident/incident data substantiate operator concerns.	10/31/2019	
23	Operations	19-AUD-08 Bus Operator Safety Barrier Use and Effectiveness Study	5a	Metro should further study why bus operators feel the bus safety barriers do not provide the protection needed to make them feel more secure and the other measures bus operators would like to see implemented.	10/31/2019	
24	Operations	19-AUD-08 Bus Operator Safety Barrier Use and Effectiveness Study	5b	Evaluate the current design of the safety barriers to determine if bus operators' concerns can be addressed through design changes and modifications made to the safety barriers.	10/31/2019

No.	Area	Audit Number & Title	Rec. No.	Recommendation	Original Completion Date	Extended Completion Date
25	Operations	19-AUD-08 Bus Operator Safety Barrier Use and Effectiveness Study	5c	Create a committee comprised of bus operators, Supervisors and Managers, Safety Department, and Bus Operations and Bus Maintenance personnel to investigate these issues and to determine appropriate mitigations. The focus of the committee should include an effort to increase barrier use, identify ways to make the barriers more effective, and evaluate training, and improve data collection and accuracy. Metro could also consider utilizing an existing committee to take on this action, if one has already been established for investigating possible safety issues with systems and equipment.	10/31/2019	
26	Operations	19-AUD-08 Bus Operator Safety Barrier Use and Effectiveness Study	6a	Metro should review safety barrier and de-escalation training to evaluate scope of attendees, frequency, content, method of delivery, consistency of delivery, and employee engagement and understanding. Results from these evaluations should be used to modify training programs as necessary.	10/31/2019	
27	Operations	19-AUD-08 Bus Operator Safety Barrier Use and Effectiveness Study	6b	Consider adding both training classes as part of the new hire training course and periodic refresher training for current operators along with any other ongoing training requirements.	10/31/2019	
28	Operations	19-AUD-08 Bus Operator Safety Barrier Use and Effectiveness Study	7a	Metro should continue to follow its current strategies and implement its current programs to prevent assaults on bus operators. These programs are consistent with industry best practices.	10/31/2019	
29	Operations	19-AUD-08 Bus Operator Safety Barrier Use and Effectiveness Study	7b	Consider using some of the evaluation tools developed by TCRP to identify in more detail where its greatest risks reside and employ tactics such as targeted fare enforcement and policing patrols to address problem areas using existing resources.	10/31/2019	
30	Systems Security and Law Enforcement	19-AUD-10 Metro Security Performance Review Fiscal Year 2018 Report	1	The Metro SSLE Department should continue to work with contract law enforcement agencies to improve the complete and accurate reporting of crime that occurs on the Metro System.	Pending	
31	Systems Security and Law Enforcement	19-AUD-10 Metro Security Performance Review Fiscal Year 2018 Report	2	The Metro SSLE Department should continue to work to develop a more macro approach to oversight and monitoring of contracted law enforcement resources using the GPS function of the Mobile Phone Validators (MPV) assigned to contracted law enforcement personnel and the data generated from them.	Pending	
32	Systems Security and Law Enforcement	19-AUD-10 Metro Security Performance Review Fiscal Year 2018 Report	3	The Metro SSLE Department should consider providing more detailed information on reported crime to distinguish between violent crime and property and petty crime.	Pending

SUBJECT: ACCESS SERVICES - QUARTERLY UPDATE

ACTION: RECEIVE AND FILE

RECOMMENDATION

RECEIVE AND FILE status report on Access Services - ADA Paratransit.

ISSUE

This is a quarterly update on Access Services (Access).

BACKGROUND

Access is the Los Angeles County transit agency that provides paratransit services on behalf of Metro and 44 other fixed route operators, as mandated by the Americans with Disabilities Act (ADA). Eligibility for Access is based on a person's ability to use accessible fixed-route buses and trains in Los Angeles County; Access currently has 147,000 registered riders. Access' paratransit service is a next-day, shared-ride, curb-to-curb service with additional assistance available to qualified individuals. The service operates throughout most of the County of Los Angeles and is operated by six contractors in the following regions: Eastern, Southern, West Central, Northern, Santa Clarita and Antelope Valley. Access provides service to customers who are traveling between locations that are located within 3/4 of a mile of local bus routes and rail lines. Customers call Access' service providers directly to make trip reservations or book a trip online.

*as of 12/31/19

On-time performance (OTP) remains strong and most KPIs are being met or are close to being met system-wide. Of particular note, customer complaints, one of the most direct measures of service quality, have improved 24 percent from the prior fiscal year to a historic low.

Preventable Collision Rate and Denials are not being met. Regarding preventable collisions, Access counts any contact as a collision (even if there is no damage), regardless of dollar value, to emphasize the importance of safety and has a standard that is much lower than peer agencies. Denials occur when a rider has made a trip request for a specific time and the transit contractor does not offer, as required, a time up to an hour before or an hour after that request. As part of its oversight and audit program, Access learned that the denial statistics do not reflect true denials and that they are a result of reservationist error where the reservationist mishears the requested time from the rider and uses that time as a starting point for the reservation. Even though this is a rare event (11 denials out of 2 million reservation calls), Access expects its contractor to retrain the reservationist.

For providers that do not meet established KPIs, staff requests corrective action plans and assesses liquidated damages as allowed under Access' contracts.

FY 20 Ridership Increase and Budget Impacts

Through the first six months of FY 2020, Access has provided nearly 1.9 million passenger trips, a 10.6% increase over projections in the FY 20 budget. This increase in demand is due, in large part, to an overall improvement in service quality driven by the implementation of an improved suite of KPIs, technology improvements and other factors, which is reflected in significantly lower customer complaints. There has also been a significant improvement in performance in Access' Southern service area (which provides 40 percent of Access' trips) due to the implementation of enhanced KPIs and a transition to a new paratransit software package in early 2019. The Southern Region has seen a 63 percent decrease in customer complaints.

Because of this significant increase in trip demand, Access is projecting it will need an additional \$10-12 million in FY 20 and will work with Metro staff to identify additional funding.

Working with Agency and Community Partners

Mobility on Demand and Microtransit Projects: Access continues to work cooperatively with Metro's Office of Extraordinary Innovation (OEI) to increase the number of Wheelchair Accessible Vehicle

(WAV) requests for the Mobility on Demand (MOD) Pilot Project with Via which launched on January 28, 2019. In addition, Access is working with Metro staff on the Microtransit project to ensure Access customers, particularly those in mobility devices, are informed about this program. Access believes these projects offer a more convenient, lower-cost option than traditional next-day paratransit.

Metro's NextGen Project: Access has met several times with Metro Operations staff to discuss Metro's Next Gen project. Metro staff has shared their proposed maps with Access and understand that the paratransit service area is based on local fixed-route bus and rail lines. It is likely that there will be changes to the Los Angeles County service area and Metro staff and Access will work collaboratively to minimize any impact on paratransit customers.

Aging and Disability Transportation Network (Network): In response to a June 2016 Metro Board motion ("Countywide Services for Older Adults and People with Disabilities"), Metro and Access staff have met with Network representatives to discuss and study enhancements to the service. In addition, many of these items are now being discussed and studied by Access' Community Advisory Committee, which is comprised of Access customers.

The first enhancement to emerge from this collaboration is an expansion of transfer service between the North County and the Los Angeles Basin. Transfer trip service based at Olive View Medical Center in Sylmar was expanded effective July 1, 2019. The expansion was aimed at Access riders who need to travel between the Antelope Valley, Santa Clarita and the rest of Los Angeles County. After six months of enhanced service, weekday ridership to/from the Antelope Valley is up 89%. Trips to/from Santa Clarita have increased by 98%. Access staff will continue to monitor usage and consider appropriate changes as necessary.

As discussed in prior reports, Access staff and community partners will continue to discuss additional improvements. The Network and Access have also been working together on strategies to expand the Parents with Disabilities (PWD) program, which provides additional assistance to Access customers with school-age children. Access released a Request for Proposals (RFP) to solicit proposals from vendors that would implement the program countywide. A recommendation based on responses to the RFP was brought to the Access Board of Directors in December for discussion. The Board directed staff to confirm funding for the program with Metro and, subsequently, Metro staff confirmed funding of \$3 million per year for the first 5 years of the expanded PWD program. Staff will, again, bring a recommendation for program expansion to the Access Board in February.

Rancho Los Amigos National Rehabilitation Center (Rancho): Access completed 21,924 trips to and from Rancho in the first six months of the year, with an on-time performance of nearly 92% and continued high customer satisfaction. Access' Southern Region service provider, Global Paratransit, continues to staff a booth on-site to facilitate coordination between riders and drivers. Access continues to collaborate with Rancho's Patient Advisory Committee and recently assisted Rancho volunteers in applying for the Access to Work program, which offers a lower fare and more scheduling flexibility than standard ADA paratransit.

Technology Update

Where's My Ride (WMR) App: Nearly 10,000 customers have registered to use the WMR application. The app allows customers to obtain an estimated time of arrival (ETA), vehicle location for their trips, and provide feedback and comments after the trip is completed. The app has now been enhanced to provide alerts and updates via push notifications regarding emergency events and potential service delays. In order to continue to improve the app, Access has applied for a \$350,000 grant under the FTA's recent Mobility for All grant application program proposing to integrate the Metro Trip Planner as well as implementing trip booking and cancellation as well as mobile fare payment capabilities.

Online Reservations: Since its launch in May 2019, 2,650 customers have booked a trip using Online Reservations, with 87% booking multiple trips. On average, 711 trips are booked per day, which represents 9.3% of total trip volume. The platform is currently available for Eastern, Southern and West Central region customers. The remaining Access regions (Northern, Santa Clarita and Antelope Valley) are on different software platforms and are scheduled to have online reservations in the near future.

All of the above initiatives, as well as the expanded suite of KPIs that have provided improved service to Access customers, receive funding from Measure M 2%.

FINANCIAL IMPACT

There will be a need for additional funding in FY20. A separate item will be brought to the Metro Board.

Impact to Budget

As discussed above, Access is projecting it will need an additional \$10-12 million for FY 20.

IMPLEMENTATION OF STRATEGIC PLAN GOALS

Goal 2: Deliver outstanding trip experiences for all users of the transportation system

Goal 3: Enhance communities and lives through mobility and access to opportunity

NEXT STEPS

Access is in the process of completing the following:

- Continue development and implementation of an online reservations platform to additional service areas;
- Work on integrating online reservations into the WMR application for a more seamless experience;
- Work with Metro government affairs staff and other stakeholders on issues relating to the

implementation of Assembly Bill 5;

- Staff will return to the Board to amend Access' FY20 budget.

Board Report

File #: 2019-0681, **File Type:** Policy

Agenda Number: 13.

FINANCE, BUDGET AND AUDIT COMMITTEE FEBRUARY 19, 2020

SUBJECT: INVESTMENT POLICY

ACTION: APPROVE RECOMMENDATIONS

RECOMMENDATION

CONSIDER:

- A. ADOPTING the Investment Policy in Attachment A;
- B. APPROVING the Financial Institutions Resolution authorizing financial institutions to honor signatures of LACMTA Officials, Attachment B; and
- C. DELEGATING to the Treasurer or her designees, the authority to invest funds for a one year period, pursuant to California Government Code ("Code") Section 53607.

ISSUE

Section 53646 of the Code, requires that the Board, on an annual basis and at a public meeting, review and approve the Investment Policy. Section 53607 of the Code, requires that the Board delegate investment authority to the Treasurer on an annual basis.

Section 10.8 of the Investment Policy requires that the Treasurer submit the Financial Institutions Resolutions to the Board annually for approval.

BACKGROUND

Metro's investment policy allows for temporary idle funds to be invested consistent with Board approved investment policy guidelines. The policy is updated on an annual basis and was last updated February 28, 2019.

DISCUSSION

California Government Code sections relevant to Metro's Investment Policy were not amended during the 2019 California Legislative session. Therefore, the Investment Policy presented in Attachment A for Board approval is unchanged from the prior year. The Board approves the

objectives and guidelines that direct the investment of operating funds.

Financial Institutions require Board authorization to establish custody, trustee and commercial bank accounts. The Financial Institutions resolution is presented as Attachment B.

FINANCIAL IMPACT

The funds required to update the Investment Policy are included in the FY20 budget in cost center 5210 and project number 610340.

Impact to Budget

The sources of funds budgeted to manage assets in accordance with the Investment Policy are Proposition A, Proposition C, Measure R, Measure M and TDA administration funds. These funds are not eligible for bus and rail operating and capital expenses.

ALTERNATIVES CONSIDERED

The Investment Policy and California Government Code require an annual review and adoption of the Investment Policy, delegation of investment authority, and approval of Attachment B - Financial Institutions Resolution. Should the Board elect not to delegate the investment authority annually or approve the resolution, the Board would assume daily responsibility for the investment of working capital funds and for the approval of routine administrative actions.

NEXT STEPS

Upon Board approval, distribute the Investment Policy to external investment managers and broker-dealers. Issue copies of the Investment Policy and the Financial Institutions Resolution to our financial institutions.

1.0 Policy

It is the policy of the Los Angeles County Metropolitan Transportation Authority (LACMTA) to ensure that the temporarily idle funds of the agency are prudently invested to preserve capital and provide necessary liquidity, while maximizing earnings, and conforming to state and local statutes governing the investment of public funds.

This investment policy conforms to the California Government Code ("Code") as well as to customary standards of prudent investment management. Investments may only be made as authorized by the Code, Section 53600 et seq., Sections 16429.1 through 16429.4 and this investment policy. Should the provisions of the Code become more restrictive than those contained herein, such provisions will be considered as immediately incorporated in this investment policy. Changes to the Code that are less restrictive than this investment policy may be adopted by the Board of Directors (Board).

2.0 Scope

- 2.1 This investment policy sets forth the guidelines for the investment of surplus General, Special Revenue, Capital Projects, Enterprise (excluding cash and investments with fiscal agents), Internal Service, and any new fund created by the Board, unless specifically exempted. Excluded from this investment policy are guidelines for the investment of proceeds related to debt financing, defeased lease transactions, Agency (Deferred Compensation, 401K, and Benefit Assessment District), Other Post Employment Benefit (OPEB) Trust funds and Pension Trust Funds.
- 2.2 Internal and external portfolio managers may be governed by Portfolio Guidelines that may on an individual basis differ from the total fund guidelines outlined herein. The Treasurer is responsible for monitoring and ensuring that the total funds subject to this investment policy remain in compliance with this investment policy, and shall report to the Board regularly on compliance.

3.0 Investment Objectives

- 3.1 The primary objectives, in priority order, of investment activities shall be:
 - A. Safety: Safety of principal is the foremost objective of the investment program. The investments shall be undertaken in a manner that seeks to ensure the preservation of capital in the overall portfolio. The LACMTA shall seek to ensure that capital losses are avoided whether from institutional default, broker-dealer default, or erosion of market value. Diversification is required in order that potential losses on individual securities do not exceed the income generated from the remainder of the portfolio.
 - B. Liquidity: The investment portfolio will remain sufficiently liquid to meet all operating requirements that might be reasonably anticipated.
 - C. Return on Investments: The LACMTA shall manage its funds to maximize the return on investments consistent with the two objectives above, with the goal of exceeding the performance benchmarks (Section 12.0) over a market cycle (typically a three to five year period).
- 3.2 It is policy to hold investments to maturity. However, a security may be sold prior to its maturity and a capital gain or loss recorded if liquidity needs arise, or in order to improve the quality, or rate of return of the portfolio in response to market conditions and/or LACMTA risk preferences.

Internal and external investment managers shall report such losses to the Treasurer and Chief Financial Officer immediately.

3.3

When investing, reinvesting, purchasing, acquiring, exchanging, selling, or managing LACMTA funds, a trustee shall act with care, skill, prudence, and diligence under the circumstances then prevailing, including, but not limited to, the general economic conditions and the anticipated needs of the agency, that a prudent investor acting in a like capacity and familiarity with those matters would use in the conduct of funds of a like character and with like aims, to safeguard the principal and maintain the liquidity needs of the agency. Within the limitations of this section and considering individual investments as part of an overall strategy, investments may be acquired as authorized by law.

3.4

The standard of prudence to be used by investment officials shall be the "prudent investor" standard and shall be applied in the context of managing an overall portfolio. Investment officers acting in accordance with this investment policy, written portfolio guidelines and procedures and exercising due diligence shall be relieved of personal responsibility for an individual security's credit risk or market price changes, provided deviations from expectations are reported in the quarterly investment report to the Board, and appropriate action is taken to control adverse developments.

4.0 Delegation of Authority

4.1

The Board shall be the trustee of funds received by the LACMTA. In accordance with Code Section 53607, the Board hereby delegates the authority to invest or reinvest the funds, to sell or exchange securities so purchased and to deposit securities for safekeeping to the Treasurer for a one year period, who thereafter assumes full responsibility for such transactions and shall make a monthly report of those transactions to the Board. Subject to review by the Board, the Board may renew the delegation of authority each year.

4.2

The Treasurer shall establish written procedures for the operation of the investment program consistent with this investment policy, including establishment of appropriate written agreements with financial institutions. Such procedures shall include explicit delegation of authority to persons responsible for investment transactions. The Treasurer may engage independent investment managers to assist in the investment of its financial assets.

4.3

No person may engage in an investment transaction except as provided under the terms of this investment policy and the procedures established by the Treasurer.

4.4

Officers and employees involved in the investment process shall be governed by the standards regarding ethical behavior and conflicts of interest established in the Los Angeles County Metropolitan Transportation Authority Ethics Policy and annually shall file a Statement of Economic Disclosure with the Ethics Office.

5.0 Permitted Investments

5.1

All funds which are not required for immediate cash expenditures shall be invested in income producing investments or accounts, in conformance with the provisions and restrictions of this investment policy as defined in Section 5.1A and as specifically authorized by the Code, (Sections 53600, et seq.). Securities held by the LACMTA's custodial bank must be in compliance with Section 5.0 Permitted Investments at the time of purchase.

- 5.2 In order to reduce overall portfolio risk, investments shall be diversified among security type, maturity, issuer and depository institutions. See Section 5.1A for specific concentration limits by type of investment.
- A. Percentage limitations where listed are only applicable at the date of purchase.
 - B. In calculating per issuer concentration limits commercial paper, bankers' acceptances, medium term notes, asset-backed securities, placement service assisted deposits, and negotiable certificates of deposit shall be included; deposits collateralized per Section 7.3 of this investment policy are excluded from this calculation.
 - C. Credit requirements listed in this investment policy indicate the minimum credit rating (or its equivalent by any nationally recognized statistical rating organization) required at the time of purchase without regard to modifiers (e.g., +/- or 1,2,3), if any.
- 5.3 Maturities of individual investments shall be diversified to meet the following objectives:
- A. Investment maturities will be first and foremost determined by anticipated cash flow requirements.
 - B. Where this investment policy does not state a maximum maturity in Section 5.1A, no investment instrument shall be purchased which has a stated maturity of more than five years from the date of purchase, unless the instrument is specifically approved by the Board or is approved by the Board as part of an investment program and such approval must be granted no less than three months prior to the investment. The Board hereby grants express authority for the purchase of new issue securities with a 5 year stated maturity with extended settlement of up to 30 days from date of purchase.
 - C. The average duration of the externally managed funds subject to this investment policy shall not exceed 150% of the benchmark duration. The weighted average duration of the internal portfolios shall not exceed three (3) years.
- 5.4 State and local government sponsored Investment Pools and money market mutual funds as authorized by this investment policy are subject to due diligence review prior to investing and on a continual basis as established in Section 5.1A, #11 and #12.
- 5.5 This investment policy specifically prohibits the investment of any funds subject to this investment policy in the following securities:
- A. Derivative securities, defined as any security that derives its value from an underlying instrument, index, or formula, are prohibited. The derivative universe includes, but is not limited to, structured and range notes, securities that could result in zero interest accrual if held to maturity, variable rate, floating rate or inverse floating rate investments, financial futures and options, and mortgage derived interest or principal only strips. Callable or puttable securities with no other option features, securities with one interest rate step-up feature, and inflation indexed securities meeting all other requirements of this investment policy are excluded from this prohibition, as are fixed rate mortgage-backed securities and asset-backed securities.
 - B. Reverse repurchase agreements and securities lending agreements.

6.0 Selection of Depository Institutions, Investment Managers and Broker-Dealers

- 6.1 To minimize the risk to the overall cash and investment portfolio, prudence and due diligence as outlined below shall be exercised with respect to the selection of Financial Institutions in which funds are deposited or invested. The LACMTA's Financial Advisor (FA) will conduct competitive processes to recommend providers of financial services including commercial banking, investment management, investment measurement and custody services.
- A. In selecting Depositories pursuant to Code Sections 53630 (et seq.), the credit worthiness, financial stability, and financial history of the institution, as well as the cost and scope of services and interest rates offered shall be considered. No funds will be deposited in an institution unless that institution has an overall rating of not less than "satisfactory" in its most recent evaluation by the appropriate federal financial supervisory agency. The main depository institutions will be selected on a periodic and timely basis.
 - B. Deposits which are insured pursuant to federal law by the Federal Deposit Insurance Corporation (FDIC), or the National Credit Union Administration (NCUA) may be excluded from the collateralization requirements of Section 7.3 of this investment policy, at the Treasurer's discretion. A written waiver of securitization shall be executed, provided to the Depository Institution, and kept on file in the Treasury Department.
 - C. The Treasurer shall seek opportunities to deposit funds with disadvantaged business enterprises, provided that those institutions have met the requirements for safety and reliability and provide terms that are competitive with other institutions.
- 6.2 In selecting external investment managers and brokers, past performance, stability, financial strength, reputation, area of expertise, and willingness and ability to provide the highest investment return at the lowest cost within the parameters of this investment policy and the Code shall be considered. External investment managers must be registered with the Securities and Exchange Commission (SEC) under the Investment Advisor Act of 1940.
- 6.3 Pursuant to Code Section 53601.5, the LACMTA and its investment managers shall only purchase statutorily authorized investments either from the issuer, from a broker-dealer licensed by the state, as defined in Section 25004 of the Corporations Code, from a member of a federally regulated securities exchange, a national or state-chartered bank, a federal or state association (as defined by Section 5102 of the Financial Code), or from a brokerage firm designated as a primary government dealer by the Federal Reserve Bank.
- A. Internal investment manager will only purchase or sell securities from broker-dealers that are Primary Dealers in U.S. Government Securities or are a direct affiliate of a Primary Dealer. Internal investment manager will only purchase securities from broker-dealers who have returned a signed Receipt of Investment Policy and completed the Broker-Dealer Questionnaire, and have been approved by the Treasurer (see Appendices B and C). A current copy of the Broker-Dealer's financial statements will be kept on file in the Treasury Department. Should market conditions limit access to inventory, the Treasurer may approve executing transactions through non-Primary Dealers who meet all of the criteria listed below:
 - a. The broker dealer must qualify under Securities Exchange Commission rule 15C3-1 (Uniform Net Capital Rule);

- b. Must be licensed by the state as a broker/dealer as defined in Section 25004 of the Corporations Code or a member of a federally registered securities exchange (i.e. FINRA, SEC, MSRB);
 - c. Have been in operation for more than five years; and
 - d. Have a minimum annual trading volume of \$100 billion in money market instruments or \$500 billion in U.S. Treasuries and Agencies.
- B. In addition to Primary Dealers in U.S. Government Securities and direct affiliates of a Primary Dealer, external investment managers may purchase or sell securities from non-Primary Dealers qualified under U.S. Securities and Exchange Commission Rule 15C3-1, the Uniform Net Capital Rule, and provided that the dealer is a member of the Financial Industry Regulatory Authority. External investment managers shall submit, at least quarterly, a list of the non-Primary Dealers used during the period.
- C. External investment managers must certify in writing that they will purchase securities in compliance with this investment policy, LACMTA Procedures, and applicable State and Federal laws.

6.4 Financial institutions and external investment managers conducting investment transactions with or for LACMTA shall sign a Certification of Understanding. The Certification of Understanding (see Appendix A) states that the entity:

- A. Has read and is familiar with the Investment Policy and Guidelines as well as applicable Federal and State Law;
- B. Meets the requirements as outlined in this investment policy;
- C. Agrees to make every reasonable effort to protect the assets from loss;
- D. Agrees to notify the LACMTA in writing of any potential conflicts of interest.

Completed certifications shall be filed in the Treasurer's Office. Failure to submit a Certification of Understanding shall result in the withdrawal of all funds held by that financial institution, or investment manager and/or the rescission of any and all authority to act as an agent to purchase or invest funds.

6.5 All broker-dealers who do business with the LACMTA's internal investment managers shall sign a Receipt of Investment Policy. The Receipt of Investment Policy (see Appendix B) states that the broker dealer:

- A. Has received, read, and understands this investment policy;
- B. Has communicated the requirements of this investment policy to all personnel who may select investment opportunities for presentation.

Failure to submit a Receipt of Investment Policy shall preclude the LACMTA from purchasing or selling securities from such broker-dealer. Completed receipts shall be filed in the Treasurer's Office.

7.0 Custody and Safekeeping of Securities and LACMTA Funds

- 7.1 A Master Repurchase Agreement must be signed with the bank or dealer before any securities and collateral for repurchase agreements shall be purchased and maintained for the benefit of the LACMTA in the Trust Department or safekeeping department of a bank as established by a written third party safekeeping agreement between the LACMTA and the bank. Specific collateralization levels are defined in Section 5.1A.
- 7.2 All investment transactions shall be settled "delivery vs. payment", with the exception of deposits, money market mutual fund investments, and Local Agency Investment Fund or other Local Government Investment Pools. Delivery may be physical, via a nationally recognized securities depository such as the Depository Trust Company, or through the Federal Reserve Book Entry system.
- 7.3 Funds deposited shall be secured by a Depository in compliance with the requirements of Code Section 53652. Such collateralization shall be designated and agreed to in writing.

8.0 Reports and Communications

- 8.1 The Treasurer is responsible for ensuring compliance with all applicable Local, State, and Federal laws governing the reporting of investments made with public funds. All investment portfolios will be monitored for compliance. Non-compliance issues will be included in the quarterly Board report as stated in Section 8.3 of this investment policy.
- 8.2 The Treasurer shall annually submit a statement of investment policy to the Board for approval. The existing approved investment policy will remain in effect until the Board approves the recommended statement of investment policy.
- 8.3 The Treasurer shall render a quarterly cash, investment, and transaction report to the CEO and Board, and quarterly to the Internal Auditor within 30 days following the end of the quarter covered by the report. The report shall include a description of LACMTA's funds, investments, or programs that are under the management of contracted parties, including lending programs. The report shall include as a minimum:
 - A. Portfolio Holdings by Type of Investment and Issuer
 - B. Maturity Schedule and Weighted Average Maturity (at market)
 - C. Weighted Average Yield to Maturity
 - D. Return on Investments versus Performance Benchmarks on a quarterly basis
 - E. Par, Book and Market Value of Portfolio for current and prior quarter-end
 - F. Percentage of the portfolio represented by each investment category
 - G. Total Interest Earned
 - H. Total Interest Received
 - I. A statement of compliance with this investment policy, or notations of non-compliance.

- J. At each calendar quarter-end a subsidiary ledger of investments will be submitted with the exception listed in 8.3K.
- K. For investments that have been placed in the Local Agency Investment Fund, in Federal Deposit Insurance Corporation-insured accounts in a bank or savings and loan association, in National Credit Union Administration insured accounts in a credit union, in a county investment pool, or in shares of beneficial interest issued by a diversified management company that invest in the securities and obligations as authorized by this investment policy and the Code, the most recent statement received from these institutions may be used in lieu of the information required in 8.3 J.
- L. At each calendar quarter-end the report shall include a statement of the ability to meet expenditure requirements for the next six months.
- M. A quarterly gain or loss report on the sale or disposition of securities in the portfolio.

8.4 Internal and external investment managers shall monitor investments and market conditions and report on a regular and timely basis to the Treasurer.

- A. Internal and external investment managers shall submit monthly reports to the Treasurer, such reports to include all of the information referenced in Section 8.3, items A-J of this investment policy. Portfolios shall be marked-to-market monthly and the comparison between historical cost (or book value) and market value shall be reported as part of this monthly report.
- B. Internal and external investment managers shall monitor the ratings of all investments in their portfolios on a continuous basis and report all credit downgrades of portfolio securities to the Treasurer in writing within 24 hours of the event. If an existing investment's rating drops below the minimum allowed for new investments made pursuant to this investment policy, the investment manager shall also make a written recommendation to the Treasurer as to whether this security should be held or sold.
- C. External and internal investment managers shall immediately inform the Treasurer, or the Chief Financial Officer in writing of any major adverse market condition changes and/or major portfolio changes. The Chief Financial Officer or the Treasurer shall immediately inform the Board in writing of any such changes.
- D. External investment managers shall notify the LACMTA internal managers daily of all trades promptly, via fax or via email.
- E. Internal investment managers will maintain a file of all trades.

9.0 Portfolio Guidelines

Portfolio Guidelines are the operating procedures used to implement this investment policy approved by the Board. The Treasurer may impose additional requirements or constraints within the parameters set by this investment policy.

10.0 Internal Control

- 10.1 The Treasurer shall establish a system of internal controls designed to prevent losses of public funds arising from fraud, employee or third party error, misrepresentation of third parties, unanticipated

changes in financial markets, or imprudent actions by employees or agents. Such internal controls shall be approved by the Chief Financial Officer and shall include authorizations and procedures for investment transactions, custody/safekeeping transactions, opening and dosing accounts, wire transfers, and clearly delineate reporting responsibilities.

- 10.2 Treasury personnel and LACMTA officials with signature authority shall be bonded to protect against possible embezzlement and malfeasance, or at the option of the governing board self-insured.
- 10.3 Electronic transfer of funds shall be executed upon the authorization of two official signatories.
- 10.4 Transaction authority shall be separated from accounting and record keeping responsibilities.
- 10.5 All investment accounts shall be reconciled monthly with custodian reports and broker confirmations by a party that is independent of the investment management function. Discrepancies shall be brought to the attention of the investment manager, the Treasurer and Deputy Executive Officer, Finance in the Treasury Department, the Controller, and if not resolved promptly, to the Chief Financial Officer.
- 10.6 The Treasurer shall establish an annual process of independent review by an external auditor. This review will provide independent confirmation of compliance with policies and procedures.
- 10.7 The Treasurer is responsible for the preparation of the cash flow model. The cash flow model shall be updated monthly based upon the actual and projected cash flow.

Annually, the Treasurer shall notify the external investment managers of the cash flow requirements for the next twelve months. The Treasurer shall monitor actual to maximum maturities within the parameters of this investment policy.

- 10.8 The Treasurer shall annually submit the Financial Institutions Resolution to the Board for approval. The existing resolution will remain in effect until the Board approves the recommended resolution.

11.0 Purchasing Guidelines

- 11.1 Investment managers shall purchase and sell securities at the price and execution that is most beneficial to the LACMTA. The liquidity requirements shall be analyzed and an interest rate analysis shall be conducted to determine the optimal investment maturities prior to requesting bids or offers. Investments shall be purchased and sold through a competitive bid/offer process. Bids/offers for securities of comparable maturity, credit and liquidity shall be received from at least three financial institutions, if possible.
- 11.2 Such competitive bids/offers shall be documented on the investment managers' trade documentation. Supporting documentation from the Wall Street Journal, Bloomberg or other financial information system shall be filed with the trade documentation as evidence of general market prices when the purchase or sale was effected.

12.0 Benchmarks

Internal and external investment managers' performance shall be evaluated against the following agreed upon benchmarks. If the investment manager does not meet its benchmark over a market cycle (3 to 5 years), the Treasurer shall determine and set forth in writing reasons why it is in the best interests of the LACMTA to replace or retain the investment manager.

APPENDIX D
LOS ANGELES COUNTY METROPOLITAN
TRANSPORTATION AUTHORITY
INVESTMENT POLICY GLOSSARY

ASKED: The price at which securities are offered from a seller.

BANKERS' ACCEPTANCE (BA): Time drafts which a bank "accepts" as its financial responsibility as part of a trade finance process. These short-term notes are sold at a discount, and are obligations of the drawer (or issuer - the bank's trade finance client) as well as the bank. Once accepted, the bank is irrevocably obligated to pay the BA upon maturity if the drawer does not.

BID: The price offered by a buyer of securities.

BOOK VALUE: The original cost of the investment, plus accrued interest and amortization of any premium or discount.

BROKER: A broker brings buyers and sellers together for a commission.

CERTIFICATE OF DEPOSIT (CD): A time deposit with a specific maturity evidenced by a certificate. Large-denomination CD's are typically negotiable (marketable or transferable).

COLLATERAL: Securities, evidence of deposit, or other property which a borrower pledges to secure repayment of a loan. Also refers to securities pledged by a bank to secure deposits of public moneys.

COMMERCIAL PAPER (CP): Unsecured promissory notes issued by companies and government entities at a discount. Commercial paper is negotiable, although it is typically held to maturity. The maximum maturity is 270 days, with most CP issued for terms of less than 30 days.

CUSTODY or SAFEKEEPING: A service to customers rendered by banks for a fee whereby securities and valuables of all types and descriptions are held in the bank's vaults for protection.

DEALER: A dealer, as opposed to a broker, acts as a principal in all transactions, buying and selling for his own account.

DELIVERY VERSUS PAYMENT: Delivery of securities with a simultaneous exchange of money for the securities.

FEDERAL AGENCIES AND U.S. GOVERNMENT SPONSORED ENTERPRISES (AGENCIES): U.S. Government related organizations, the largest of which are government financial intermediaries assisting specific credit markets (housing, agriculture). They include:

- ◆ Federal Home Loan Banks (FHLB)
- ◆ Federal Home Loan Mortgage Corporation (FHLMC or "Freddie Mac")
- ◆ Federal National Mortgage Association (FNMA or "Fannie Mae")
- ◆ Federal Farm Credit Banks (FFCB)
- ◆ Tennessee Valley Authority (TVA)

MARKET VALUE: The price at which a security is trading and could presumably be purchased or sold.

MASTER REPURCHASE AGREEMENT: A written contract covering all future transactions between the parties to repurchase/reverse repurchase agreements that establish each party's rights in the transactions. A master agreement will specify, among other things, the right of the buyer-lender to liquidate the underlying securities in the event of default by the seller-borrower.

MATURITY: The date upon which the principal or stated value of an investment becomes due and payable.

MEDIUM TERM NOTES (MTN): Interest bearing, continuously offered debt, issued in the 9 month to ten year maturity range. Deposit notes, like Certificates of Deposit, actually represent an interest bearing deposit at a bank or other depository institution.

OFFER: The price asked by a seller of securities.

PAR VALUE: The face value, or principal amount payable at maturity.

PRIMARY DEALER: A group of government securities dealers who submit daily reports of market activity and positions and monthly financial statements to the Federal Reserve Bank of New York, and are subject to its informal oversight.

REPURCHASE AGREEMENT (RP OR REPO): A purchase of securities under a simultaneous agreement to sell these securities back at a fixed price on some future date. This is in essence a collateralized investment, whereby the security "buyer" in effect lends the "seller" money for the period of the agreement, and the difference between the purchase price and sale price determining the earnings. Dealers use RP extensively to finance their positions.

SECURITIES & EXCHANGE COMMISSION (SEC): An agency created by Congress to protect investors in securities transactions by administering securities legislation.

TREASURY BILLS: A non-interest bearing discount security issued by the U.S. Treasury to finance the national debt. Most bills are issued to mature in three months, six months, or one year.

TREASURY NOTES AND BONDS: Long-term U.S. Treasury securities having initial maturities of 2 to 30 years.

YIELD: The rate of annual income return on an investment, expressed as a percentage.

YIELD TO MATURITY (YTM): The rate of return earned on an investment considering all cash flows and timing factors: interest earnings, discounts, and premiums above par.

FINANCIAL INSTITUTIONS RESOLUTION

RESOLVED, that any financial institutions, including all banks and their correspondent banks doing business with the Los Angeles County Metropolitan Transportation Authority (LACMTA), are hereby authorized, requested and directed to honor all checks, drafts, wires, or other orders for payment of money drawn in the LACMTA's name on its account(s) (including those drawn on the individual order of any person or persons whose names appear thereon as a signer or signers thereof) when bearing the original and/or facsimile signature of the Chair; Chief Executive Officer; Chief Financial Officer; Treasurer; Deputy Executive Officer, Finance in Treasury Department; or Assistant Treasurer (collectively, LACMTA Officials). LACMTA Officials are the only representatives empowered to open, close or authorize changes to accounts on behalf of LACMTA. LACMTA Officials may designate individuals as Official Signatories for financial accounts. The duties of Official Signatories shall be limited to check signing, wire or fund transfers, balance reporting and/or monitoring of bank processes.

And, those financial institutions, including correspondent banks, currently doing business with LACMTA shall be entitled to honor and charge LACMTA for all such checks, drafts, wires, or other orders for the payment of money, regardless of by whom or by what means when the actual or facsimile signature or signatures resemble the specimens filed with those financial institutions by the Secretary or other officer of LACMTA.

CERTIFICATION

The undersigned, duly qualified and acting as Secretary of the Los Angeles County Metropolitan Transportation Authority, certifies that the foregoing is a true Resolution adopted at a legally convened meeting of the Board of Directors of the Los Angeles County Metropolitan Transportation Authority held on _____.
