METROPOLITAN TRANSPORTATION AUTHORITY BOARD RULES (ALSO APPLIES TO BOARD COMMITTEES)

PUBLIC INPUT

A member of the public may address the Board on agenda items, before or during the Board or Committee's consideration of the item for one (1) minute per item, or at the discretion of the Chair. A request to address the Board should be submitted in person at the meeting to the Board Secretary. Individuals requesting to speak on more than three (3) agenda items will be allowed to speak up to a maximum of three (3) minutes per meeting. For individuals requiring translation service, time allowed will be doubled.

The public may also address the Board on non-agenda items within the subject matter jurisdiction of the Board during the public comment period, which will be held at the beginning and/or end of each meeting. Each person will be allowed to speak for up to three (3) minutes per meeting and may speak no more than once during the Public Comment period. Speakers will be called according to the order in which the speaker request forms are received. Elected officials, not their staff or deputies, may be called out of order and prior to the Board's consideration of the relevant item.

In accordance with State Law (Brown Act), all matters to be acted on by the MTA Board must be posted at least 72 hours prior to the Board meeting. In case of emergency, or when a subject matter arises subsequent to the posting of the agenda, upon making certain findings, the Board may act on an item that is not on the posted agenda.

CONDUCT IN THE BOARD ROOM - The following rules pertain to conduct at Metropolitan Transportation Authority meetings:

REMOVAL FROM THE BOARD ROOM The Chair shall order removed from the Board Room any person who commits the following acts with respect to any meeting of the MTA Board:

- Disorderly behavior toward the Board or any member of the staff thereof, tending to interrupt the due and orderly course of said meeting.
- A breach of the peace, boisterous conduct or violent disturbance, tending to interrupt the due and orderly course of said meeting.
- Disobedience of any lawful order of the Chair, which shall include an order to be seated or to refrain from addressing the Board; and
- Any other unlawful interference with the due and orderly course of said meeting.

INFORMATION RELATING TO AGENDAS AND ACTIONS OF THE BOARD

Agendas for the Regular MTA Board meetings are prepared by the Board Secretary and are available prior to the meeting in the MTA Records Management Department and on the Internet. Every meeting of the MTA Board of Directors is recorded on CD's and as MP3's and can be made available for a nominal charge.

DISCLOSURE OF CONTRIBUTIONS

The State Political Reform Act (Government Code Section 84308) requires that a party to a proceeding before an agency involving a license, permit, or other entitlement for use, including all contracts (other than competitively bid, labor, or personal employment contracts), shall disclose on the record of the proceeding any contributions in an amount of more than \$250 made within the preceding 12 months by the party, or his or her agent, to any officer of the agency, additionally PUC Code Sec. 130051.20 requires that no member accept a contribution of over ten dollars (\$10) in value or amount from a construction company, engineering firm, consultant, legal firm, or any company, vendor, or business entity that has contracted with the authority in the preceding four years. Persons required to make this disclosure shall do so by filling out a "Disclosure of Contribution" form which is available at the LACMTA Board and Committee Meetings. Failure to comply with this requirement may result in the assessment of civil or criminal penalties.

ADA REQUIREMENTS

Upon request, sign language interpretation, materials in alternative formats and other accommodations are available to the public for MTA-sponsored meetings and events. All requests for reasonable accommodations must be made at least three working days (72 hours) in advance of the scheduled meeting date. SYSTEM SAFETY, SECURITY, OPERATIONS COMMITTEE JUNE 16, 2016

SUBJECT: MONTHLY UPDATE ON TRANSIT POLICING PERFORMANCE

ACTION: RECEIVE AND FILE

RECOMMENDATION

RECEIVE AND FILE **monthly update on Transit Policing performance.**

ISSUE

On September 4, 2014, the board requested that staff provide a monthly update on transit policing performance to Systems Safety and Operations Committee. Specifically, the board requested monthly updates on criminal activity, fare enforcement, response time, deployment and perception of safety.

DISCUSSION

In April 2016, staff continues to be proactive in working with Operations, Los Angeles County Sheriff's Department (LASD), and Communications in addressing perception of safety, criminal activity, fare enforcement, response time, and deployment.

In the new law enforcement services contract, staff is including key performance indicators as tools to track performance.

Below are the key highlights for April 2016:

Actions to Improve the Ridership Experience

- Staff is utilizing Problem Oriented Policing strategies to develop innovative solutions at the Westlake/MacArthur Park Station.
- Staff is continuing to increase presence on the system using new technologies and redeployment of personnel.
- High Visibility

- Transit Security Officers (TSO) and Los Angeles County Sheriffs have been engaging and interacting with patrons and operators to increase presence and increase the perception of safety on the Metro system.
 - TSO Bus Boarding Activity: The total number of TSO Bus Boardings for the month of April 2016 is 860. The total number of fare checks is 6,545.
 - LASD Bus Riding Team (BRT): The total number of BRT Bus Rides for the months of April 2016 is 940. The total number of fare checks is 39,528.

Bus Operator Assaults:

- From January to April 2016, there were 38 operator assaults. Of the 38 total operator assaults, 34.2% of the total assaults have had a suspect taken into custody. The majority of bus operator assaults are caused by fare related followed by missed stop.
- Comparing January-April 2015 to January-April 2016, Operator Assaults have decreased 39%.
- Of the 38 total operator assaults from January to April 2016, there were 37 non-aggravated assaults and 1 aggravated assault. The method of assault was as follows: 19 used hands, 12 used spit, 4 threw cold liquid, 2 threw an object, and there was 1 robbery.
- Attachment B contains the matrix for the suspects who have assaulted Bus Operators that LASD has been tracking.
- From January to April 2016, there were 213,413,272 bus boardings and 38 total operator assaults, equating to 1 bus operator assault per 5.6 million boardings.

Operator Safety:

- The Metro Communications team is rolling out a new marketing campaign targeted at reducing Bus Operator assaults.
- The ongoing Transit Ambassador Program focuses on classes that address conflict resolution for Operators and Supervisors.
- Metro Operations is continuing to move forward with the installation of barriers and monitors in the remaining serviceable fleet. Staff is on track to have all 900 New Flyer buses outfitted with barriers and monitors by October 2016.
- For the rest of Metro's fleet (about 1300 buses), staff will be starting a program to retrofit operator barriers onto buses starting in June 2016. This program is expected to run for approximately 24 months. Staff is also developing a new program to have video monitors retrofit onto the rest of Metro's bus fleet.
- As of May 13, 2016 the Metro New Flyer Buses that in service are as follows:
 - Number of New Flyer buses in service = 693 of 900
 - Number of buses "in-service" with protective barriers = 335
 - Number of buses "in-service" with live video monitors = 477
 - Number of buses remaining to retrofit = 216

Significant Activities

- **4/19/2016** - While working in the downtown area, an astute deputy noticed what appeared to be a transient male in the area of the 5th St. side of the Pershing Square Red Line Station. On 04/17/2016, a robbery and knife attack had occurred at the station, leaving the victim stabbed

with two serious wounds to the neck. The deputy detained the person for investigation and, based on the wanted flyer and a later positive identification by the victim, the suspect was charged with robbery and assault with a deadly weapon. The investigation into this case is ongoing.

- 4/22/2016:** During the early morning hours, the TPD Threat Interdiction Unit conducted a full scale exercise, simulating a terrorist attack in the subway, with the release of chemical weapons and an active shooter. The exercise took place at the Wilshire/Western Purple Line Station. The nationally syndicated news magazine, Crime Watch Daily, was allowed to film portion of the exercise, which is scheduled to air sometime during the month of May 2016. The training exercise and news story appear to be huge successes.
- 4/26/2016:** At approximately 1:47 PM, Transit Bureau North Bus Deputies responded to an assault call at the corner of Spring St. and 6th St, in Downtown LA. Metro bus line 92 was standing there and a female patron had reported that an unknown male and prevented her from exiting the bus and grabbed her chest while doing so. Deputies arrived, found the male who was positively identified by the female victim, and arrested the male suspect. The suspect was booked for false imprisonment and sexual battery. The case will be referred for investigation.

Fare Enforcement:

- In April 2016, law enforcement performed 755,936 fare checks on the rails and Orange Line. Based on the monthly targets, in April 2016 law enforcement had a 9% saturation rate.
- Based on the chart, green checks occur when a patron has valid fare and has tapped at a turnstile or stand-alone validator. Yellow checks occur when a patron has valid fare, but failed to TAP at a transfer point. Red checks occur when a patron either has a daily/weekly/monthly pass and has not tapped at all during their trip, has stored value and failed to TAP, or has no stored value.
- At the discretion of the fare inspector, patrons are encouraged to make payment at the ticket vending machine or TAP their card on the validator in lieu of receiving a citation.

Response Time:

- In April 2016, the average response time for “Calls for Service” (Emergency, Priority and Routine) for all rail lines and buses was 16 minutes.
- LASD currently complies with Metro's Performance Metrics requirement of average of 30 minutes for calls for service. The response time for emergency calls was 6.9 minutes for April 2016.

The LASD reserve units are attached to regular LASD units of assignments. The reserves are there to perform the same function as any deputy. In that way, the reserves augment the force at no increase in cost. Contract agencies benefit significantly by the presence of reserves since they are directly paying for the LASD contract and do not have to pay for the additional reserve force.

Board Report

File #: 2016-0185, File Type: Contract

Agenda Number: 31

SYSTEM SAFETY, SECURITY AND OPERATIONS COMMITTEE JUNE 16, 2016

SUBJECT: ELECTRIC COOLING FAN SYSTEM

ACTION: AWARD CONTRACT FOR ELECTRONIC COOLING FAN SYSTEMS

RECOMMENDATION

AWARD an Indefinite Delivery Indefinite Quantity Contract, No. MA5246200 to Modine Manufacturing Company, the lowest responsive and responsible bidder, for **Electric Cooling Fan Systems** for an amount not-to exceed \$2,758,124.00.

ISSUE

The Bus Maintenance Midlife program targets buses at the mid-point of the bus life and includes major mechanical systems replacements and interior and exterior refurbishment. During the Midlife, the engine which will have accumulated an average of 350,000 miles is replaced. The cooling fan system is part of the engine installation package. The existing hydraulic driven fan system will be replaced with an electric cooling fan system during the engine package change out. This procurement is required to ensure that buses in the Midlife program can continue to operate without delays and that revenue service is not impacted. The Contract will provide up to 299 electric cooling fan systems for engine packages.

DISCUSSION

The NABI 8100-8400 45' composite series which includes 300 buses is on schedule for refurbishment through the Bus Midlife Program. A new Cummins ISLG 280 HP engine package will be installed on these buses. As part of the new engine package installation, the existing hydraulic driven fan system will be replaced with an electric cooling fan system. The new fan system package will include a radiator, fan assemblies, controllers, power generation and necessary wiring, and are warranted to be free from defects in design and materials for two-years with full parts and labor on all warrantable failures. One (1) Electric Cooling Fan System from Modine Manufacturing Company has been installed and tested to ensure workability.

The engine assembly and installation takes an average of two weeks and is performed by Metro Mechanics at the Central Maintenance Shops. One hundred sixty eight (168) engine replacements with electric cooling fan systems are scheduled to be installed in FY17. The balance of one hundred and thirty one (131) will be installed in FY18.

DETERMINATION OF SAFETY IMPACT

Award of the Contract will result in a positive impact on safety. Installing a new electric cooling fan system will ensure that the bus is maintained in accordance with Metro Maintenance standards, eliminate hydraulic fluid leaks, and improve on-road performance and reliability of the bus which will have a beneficial impact on system safety.

FINANCIAL IMPACT

The contract value for these components is \$2,758,124 for up to 299 units. Funding of \$230,612 for the procurement of 25 electric cooling fan system units is included in the FY16 budget in cost center 3366 Central Maintenance Shops, under Capital Project 203036 Bus Midlife Project program, line item 50441, Parts - Revenue Vehicle.

The cost center manager, project manager, and Chief Operations Officer will ensure that the remaining \$2,527,512 for purchase of the remaining 274 electric cooling fan system units will be budgeted in future fiscal years.

Impact to Budget

For FY16 through FY17, the source of the funds for this procurement is a combination of Transportation Development Act Article 4 and Proposition C 40%. Through FY17, these are the designated funds available for bus midlife overhaul project. These funds are eligible for Bus Operations activities however it has a neutral impact to the FY budget as they have been programmed into the project allowing for execution of the proposed recommendation. No other funding sources were considered.

ALTERNATIVES CONSIDERED

The alternative is not to award this master agreement contract and procure electric cooling fan system units on an as-needed basis, using the traditional "min/max" replenishment system method. The "min/max" replenishment system method calculates minimum and maximum inventory levels. This strategy is not recommended since it does not provide for a commitment from the supplier to ensure availability, timely delivery, continued supply and a guaranteed fixed price for electric cooling fan system units.

NEXT STEPS

Refurbishment of the NABI 8100 series bus fleet will continue in accordance with Operations Support Services bus mid-life program and engine replacement program. The engine replacement including the electric cooling fans systems for this NABI bus series is scheduled to be completed by the end of FY18.

A. Procurement Background

This Board Action is to approve an Indefinite Delivery, Indefinite Quantity (IDIQ) Contract, No. MA5246200, resulting from IFB MA24676, for up to 299 each Electric Cooling Fan Systems.

IFB No. MA24676 was issued in accordance with Metro's Acquisition Policy and the contract type is a Firm Fixed Unit Price.

Two amendments were issued during the solicitation phase of this IFB:

- Amendment No. 1, issued on April 1, 2016 clarified potential bidder's questions;
- Amendment No. 2, issued on April 7, 2016 clarified potential bidder's questions.

A total of three bids were received on April 19, 2016.

B. Evaluation of Bids

The firm recommended for award, Modine Manufacturing Company was found to be in full compliance with the bid requirements.

No.	Bidder Name	Bid Amount
1.	Modine Manufacturing Company	\$2,758,124
2.	Diesel Radiator Company	\$2,898,969
3.	EMP	\$2,965,781

C. Price Analysis

The recommended bid price has been determined to be fair and reasonable based upon adequate price competition and selection of the lowest responsive and responsible bidder.

Low Bidder Name	Bid Amount	Metro ICE
Modine Manufacturing Company	\$2,758,124	\$3,250,000

D. Background on Recommended Contractor

The recommended firm, Modine Manufacturing Company, located in Racine, WI, has been in business for 100 years and, is a leader in the field of thermal management systems and components, bringing highly engineered heating and cooling technology and solutions to diversified global markets. Modine Manufacturing Company has provided similar products to other transit agencies including Transit properties in King County, Seattle Washington and to bus manufacturer's Gillig, NABI, New Flyer, Nova Bus, El Dorado, and Motor Coach Industries (MCI). Modine also supports transit retrofit companies such as Complete Coach Works, Coach Crafters, and Midwest Bus Corporation. Modine Manufacturing Company has no previous purchase orders/contracts with Metro.

DEOD SUMMARY

ELECTRIC COOLING FAN SYSTEM/

A. Small Business Participation

The Diversity and Economic Opportunity Department (DEOD) did not establish a small business participation goal based on the lack of subcontracting opportunities. It was determined that the equipment will be provided by the Original Equipment Manufacturer (OEM). It was also confirmed by the Project Manager that installation of the equipment will be performed by Metro.

B. Living/Prevailing Wage and Service Contract Worker Retention Policy Applicability

The Living Wage and Service Contract Worker Retention Policy is not applicable to this contract.

C. Prevailing Wage Applicability

Prevailing wage is not applicable to this contract.

D. Project Labor Agreement/Construction Careers Policy

Project Labor Agreement/Construction Careers Policy is not applicable to this contract.

Board Report

File #: 2016-0207, File Type: Appointment

Agenda Number: 32

SYSTEM SAFETY, SECURITY AND OPERATIONS COMMITTEE
JUNE 16, 2016

SUBJECT: MEMBERSHIP ON METRO SERVICE COUNCILS

ACTION: APPROVE NOMINEES FOR APPOINTMENT TO METRO SERVICE COUNCILS

RECOMMENDATION

APPROVE nominees for **membership on Metro's Service Councils**.

ISSUE

Each Metro Service Council is comprised of nine Representatives that serve a term of three years; terms are staggered so that the terms of three of each Council's nine members expire annually on June 30. Incumbent Representatives can serve additional terms if re-nominated by the nominating authority and confirmed by the Metro Board.

Additional Service Council vacancies occasionally occur due to resignations submitted by Council Members, necessitating nominations to fill a vacancy for the remainder of the seat's term.

DISCUSSION

Metro seeks to appoint Service Council members reflective of the demographics of each respective region. The 2010 Census demographics of each of the Service Council regions are as follows:

% Sector Total	Hispanic	White	Asian	Black	Other	Total Pop
SGV	50.0%	19.9%	24.9%	3.3%	2.0%	100.0%
SFV	41.0%	42.0%	10.7%	3.4%	2.9%	100.0%
South Bay	42.5%	23.8%	12.0%	18.3%	3.4%	100.0%
Westside/Central	43.5%	30.7%	13.0%	10.0%	2.8%	100.0%
Gateway Cities	63.9%	16.7%	8.5%	8.6%	2.3%	100.0%
Service Area Total	48.5%	26.8%	14.0%	8.2%	2.6%	100.0%

The individuals listed below have been nominated to serve by the Councils' appointing authorities. If approved by the Board, these appointments will serve a three-year term or the remainder of the seat's three-year term as indicated. A brief listing of qualifications for the new nominees is provided along with the nomination letters from the nominating authorities:

The gender breakdown of the Council will be six (6) men and three (3) women.

DETERMINATION OF SAFETY IMPACT

Maintaining the full complement of representatives on each Service Council to represent each service area is important. As each representative is to be a regular user of public transit, and each Council is composed of people from diverse areas and backgrounds, this enables each Council to better understand the needs of transit consumers including the need for safe operation of transit service and safe location of bus stops.

FINANCIAL IMPACT

There is no financial impact imparted by approving the recommended action.

ALTERNATIVES CONSIDERED

The alternative to approving these appointments would be for these nominees to not be approved for appointment. To do so would result in reduced effectiveness of the Service Council, as it would increase the difficulty of obtaining the quorum necessary to allow the Service Councils to formulate and submit their recommendations to the Board. It would also result in the Service Councils having less diverse representation of their service area.

NEXT STEPS

There is one (1) vacant Service Council seat on the San Fernando Valley Service Council for which no nomination has been received. Staff will continue to work closely with the Office of Third District Supervisor Sheila Kuehl, the nominating authority, to identify candidates for the vacant position. Staff will also continue to monitor the major contributors to the quality of bus service from the customer's perspective, and share that information with the Service Councils for use in their work to plan, implement, and improve bus service in their areas and the customer experience using our bus service.

NEW APPOINTEES BIOGRAPHIES AND QUALIFICATIONS

Karina Macias, Nominee for Gateway Cities Service Council

Karina Macias was elected to the Huntington Park City Council in March 2013. Two years after her election, she was voted by her peers to serve as the Mayor of Huntington Park for the 2015-2016 term, making her the youngest Mayor in the history of the City. Councilmember Macias grew up in Huntington Park as the only child of immigrant parents. She holds a Bachelor's Degree in Political Science and Psychology, with a minor in International Studies from Mount St. Mary's University in Los Angeles, and a Master's Degree in International Studies from Chapman University. Upon graduation Ms. Macias began working with the Sisters of St. Joseph as an Assistant Justice

Coordinator for the Social Justice Office where she provides educational services on a variety of social justice topics to the Sisters within the Los Angeles Province.

Additionally, she manages an emergency monetary assistance fund and co-chairs the Southern California Partners for Global Justice group. Her career has given her the community outreach skills that she uses on the City Council, as well as a profound understanding of local government and the importance of transparency in policymaking and governance. Councilmember Macias currently serves as Huntington Park's representative on the HUB Cities Board, Eco Rapid Transit Board, and Sanitation District Board.

Dave Perry, Nominee for San Fernando Valley Service Council

David Perry resides in the San Fernando Valley and has served as Fifth District Supervisor Antonovich's Field Deputy in the Santa Clarita Valley since June 2008. In that capacity, he has been the Supervisor's local point person on issues such as Interstate 5 corridor improvements, California High Speed Rail, Santa Clarita Transit, and local infrastructure projects. Mr. Perry is also the Supervisor's appointee to the North County Transportation Coalition and will further serve the office as the designated Transportation Deputy.

Robert Burlingham, Nominee for South Bay Service Council

Robert Burlingham is a Transportation Planner with Los Angeles World Airports. Mr. Burlingham provided location and site analysis for the LAX FlyAway Program from 2007 through 2011, has worked on various airport pedestrian studies, and has been involved with the Crenshaw line development since he arrived at LAX nine years ago. His 30-year career as an urban planner has included work in regional, county, municipal, and airport planning. Bob has been a resident of Los Angeles since 2002, when he worked as a Senior Regional Planner for

SCAG, and represented SCAG on the South Bay COG Transportation Planning Committee. Bob has an interest in the future of transportation in Los Angeles and believes in a balanced approach with improved transit and rail service, adequate, and maintained highways, and an expanded use of new technologies to better manage congestion and growth in Southern California.

Ernie Crespo, Nominee for South Bay Service Council

Ernie Crespo is currently the Transit Director for the City of Gardena. He has had a lengthy career in transit, having previously worked as Operations Manager with the City of Torrance, a Transit Services Superintendent with Santa Monica Big Blue Bus, and Training and Development Supervisor for Long Beach Transit. Mr. Crespo holds a B.S. in Neurobiology, Physiology and Behavior from UC Davis. Mr. Crespo has a deep passion for providing safe reliable public transit services to the public and seeking efficiencies to

improve service for transit riders. He strives to continue to increase the coordination of services between all South Bay cities, hopefully resulting in better connectivity for customers who use public transit.

Elaine Jeng, Nominee for South Bay Service Council

Elaine Jeng holds a Bachelor's degree in Civil and Environmental Engineering from the University of California, Los Angeles (UCLA). Ms. Jeng's entire working career has been in the field of civil and transportation engineering. She worked for consulting firms URS Corporation and Kaku Associates (now Fehrs and Peers) on highway design, traffic studies, travel demand forecast, and transit oriented developments. As an Associate Civil Engineer for the City of Culver City Public Works, Ms. Jeng implemented a citywide traffic control system including signal synchronization for Metro and Culver

City rapid bus lines using Metro Call for Projects grant funding. The safety of on-street facilities, adequacy of signage and travel path, and the health of the roadway system to support timely arrivals of buses are all areas of Ms. Jeng's expertise.

Ms. Jeng currently works as the Interim Director of Public Works/City Engineer for the City of El Monte. She hopes to bring her insights on building and maintaining infrastructures coupled with her extensive experience with Metro to enhance transit

services to her community and the South Bay. Ms. Jeng is a resident of Manhattan Beach and enjoys riding transit with her family. Ms. Jeng previously served on the South Bay Service Council from July 2014 through June 2015.

RE: Recommendation to appoint David Perry to the San Fernando Valley Service Council.

Dear Mr. Hillmer:

This letter serves as my recommendation to appoint David Perry as my representative to the Los Angeles County Metro San Fernando Valley Service Council.

David Perry resides in the San Fernando Valley and has served as my field deputy in the Santa Clarita Valley since June, 2008. In that capacity, he has been the focal point person on issues such as Interstate 5 corridor improvements, California High Speed Rail, Santa Clarita Transit, and local infrastructure projects. David is also my appointee on the North County Transportation Coalition and effective June 6, 2016, will become my transportation deputy.

David's knowledge and experience with transportation issues affecting the San Fernando Valley and the region will continue to serve the San Fernando Valley well.

Sincerely,

San Fernando Valley Service Council**

Dear Mr. Spivack:

In your letter dated February 22, 2016, you indicated that the Service Council term of San Fernando Councilmember Lopez will expire at the end of June 2016. In order to maintain representation to this important oversight group, the three East Cluster cities of Burbank, Glendale, and San Fernando respectfully request that Councilmember Lopez be re-nominated to serve as a member of the Service Council beginning July 1, 2016. This shortened term would extend to June 30, 2017 to bring his appointment term back in alignment with the Service Council bylaws. This nomination has been discussed with officials from the three East Cluster cities, who agree that Councilmember Lopez is the appropriate person to join Burbank Vice Mayor Jess Talamantes in representing the East Cluster cities on the Service Council.

Thank you for considering our request to nominate Antonio Lopez to the San Fernando Valley Service Council. Should you require any further information, please feel free to contact David Kriske in our Community Development Department at 818.238.5269 or via email at dkriske@burbankca.gov.

Re: Reappointment of Steven Ly to Metro's SGV Service Council

Dear Mr. Spivak:

As you know, Rosemead City Council Member Steven Ly currently represents the cities of Montebello, Monterey Park, and Rosemead on Metro's San Gabriel Valley Service Council. The Metro San Gabriel Valley Service Council is charged with making decisions about bus routes and schedules for Metro bus lines operating in our region. As such, Service Council Bylaws require that nominees live, work, or represent in the region they represent and that they ride public transit on a regular basis. Service Council Members may serve multiple three-year terms. The San Gabriel Valley Service Council currently meets on the second Monday of each month at 5:00 p.m. at Metro's El Monte Division 9 Building.

Steven Ly's current three-year term on the Metro SGV Service Council will expire on June 30, 2016. He is a passionate advocate of expanded access to effective public transportation services, particularly for the most vulnerable members of our communities. Accordingly, Steven is interested in being reappointed to serve in this capacity as the representative of the cities of Montebello, Monterey Park and Rosemead.

Please accept this nomination to reappoint Steven Ly to Metro's San Gabriel Valley Service Council representing the cities of Montebello, Monterey Park, and Rosemead.

Re: Nominations for the Members of the South Bay Service Council

The South Bay Service Council has been extremely successful since its inception. The dedicated people on our council have worked with Metro staff to make changes in service to improve efficiency and coordination of the transit services provided by the Metro in our sector.

The South Bay Cities Council of Governments (SBCCOG) takes its responsibility to nominate members to the council very seriously and with this letter we are submitting our nominees to fill the three seats whose terms are expiring and one seat that has been vacated. Recommended after receiving the approval of the SBCCOG Board of Directors at the meeting of April 28, 2016 are Elaine Jeng (Redondo Beach resident and rider), Royce Love (Carson senior and rider) and Ernie Crespo (General Manager of G-Trans representing the Municipal Operators). These Appointments are for 3 years. The SBCCOG Board further recommends that Robert Burlingham (LAWA) fill the fourth seat which was vacated. Since he is filling an unexpired term, his appointment is for one year.

We request that you agendaize the appointment of these representatives for as soon as possible so they can be seated in July, 2016.

Please notify us when the appointments are confirmed or if you have any questions.

**SYSTEM SAFETY, SECURITY AND OPERATIONS COMMITTEE
JUNE 16, 2016****SUBJECT: UNIFORM RENTAL SERVICES****ACTION: APPROVE CONTRACT MODIFICATION****RECOMMENDATION**

AUTHORIZE the Chief Executive Officer to execute Modification No. 9 to Contract No. OP30002227 for **Uniform Rental Services with Prudential Overall Supply** for the not-to-exceed amount of \$650,000, increasing the total contract not-to-exceed value from \$4,515,029.28 to \$5,165,029.28. This modification also extends the period of performance by nine (9) months, from July 1, 2016, through March 31, 2017.

This contract provides on-going uniform rental services, vehicle seat covers, and laundry services for hand towels and floor mats.

ISSUE

Per the current ATU and TCU Collective Bargaining units' agreements, Metro is required to provide over 2,300 Metro represented employees with up to 11 uniforms per employee, as well as provide laundry services for the uniforms.

To avoid service interruption, continue providing the necessary uniform rental program and services, and allow sufficient time to perform all necessary administrative processes associated with contract closeout and changeover, a contract modification is required to extend the period of performance by nine (9) months, from July 1st, 2016 through March 31, 2017 and increase contract expenditure authority while the new procurement actions are completed. Staff anticipates returning to the Metro Board of Directors with a recommendation for award to the new solicitation during the month of November, 2016.

DISCUSSION

Currently under this Contract, uniform rental services are provided to over 2,300 Metro represented labor employees, as well as providing vehicle seat covers and laundry services for hand towels and floor mats.

The existing uniform rental services Contract No. OP30002227 with Prudential Overall Supply (POS)

will expire on June 30, 2016. At the January 2016 Board meeting, the Board approved and awarded Item #40 for a new contract award with POS to provide uniform rental services for a not-to-exceed amount of \$3,108,087 for a three-year term. As part of their bid, POS made a 0% Small Business Enterprise (SBE) commitment. Although the solicitation originally included two, one year option terms, the contract recommendation only included the base three-year award to demonstrate Metro's commitment to the Small Business Program.

Subsequent to award, POS expressed financial concerns related to their bid considering the elimination of the option years, and requested additional compensation beyond their submitted bid. Staff informed POS that by submitting a bid in response to the IFB, they had agreed to the terms and conditions of the contract including Metro's right not to exercise the option years, which was part of the IFB. POS then informed Metro that they would not be able to execute the contract.

Therefore, Staff is re-procuring for this service while reaching out to uniform suppliers soliciting their feedback to address any questions regarding the previous procurement requirements and updating the solicitation package in an effort to allow an opportunity for small business involvement, increase competition and attract more firms and small businesses to work with Metro.

Staff has been actively working with the current contractor as well as Metro represented employees to ensure timely and improved service delivery. Necessary adjustments have been made through developing new procedures and improving communications among parties involved to address the employees' feedback received;

- Improve the process to obtain new uniforms for Metro newly hired employees and employees new to a classification.
- Ensure the availability of uniforms designed for females.
- Ensure employees transferred from one location to another continue to receive the required uniforms.
- Ensure timely service of uniforms in need of repair or replacement uniforms in lieu of worn-out sets.

Staff distributed the updated procedures for each of the inquiries listed above to all the Division Managers and Assistant Managers. These procedures are to be followed by the employees and their supervisors. Staff continues to proactively work with the contractor and Metro represented employees to further improve service delivery and reliability.

To avoid uniform rental service interruption, a contract modification is required to extend the period of performance and increase contract expenditure authority while the new procurement process is completed.

DETERMINATION OF SAFETY IMPACT

The approval of this item will ensure the supply of uniforms that clearly identify Metro represented labor employees and continue delivering safe, quality, on-time and reliable services system-wide.

FINANCIAL IMPACT

Funding of \$650,000 for this contract is included in the FY17 proposed budget in multiple maintenance cost centers, account - 50215 (F/B Uniforms), projects 306002 (Bus Operations), 300022 (Blue Line Operations), 300033 (Green Line Operations), 300044 (Red Line Operations), 300055 (Gold Line Operations), 301012 (Orange Line Operations), and 300066 (Expo Line).

Impact to Budget

The current year funding for this action will come from the Enterprise operating fund. The source of funds for this procurement will come from Federal, State and local funding sources that are eligible for Bus and Rail Operating or Capital Projects. These funding sources will maximize the use of funds for these activities. This activity is part of Metro's on-going maintenance costs.

ALTERNATIVES CONSIDERED

Staff considered executing a short term contract with a different vendor, in the interim, until the new solicitation processes are completed. This will require several months to close-out the existing contract, setup the short term contract and allow approximately 90 days for the ordering of new uniforms. Staff's assessment indicates this is time consuming and not a cost-effective option for Metro.

Staff further considered purchasing uniforms, hand towels, mats, and vehicle seat covers, along with providing in-house laundry services. This would require the hiring and training of additional personnel, purchase of additional equipment, vehicles, and supplies to support the expanded responsibility. Staff's assessment indicates this is not a cost-effective option for Metro.

NEXT STEPS

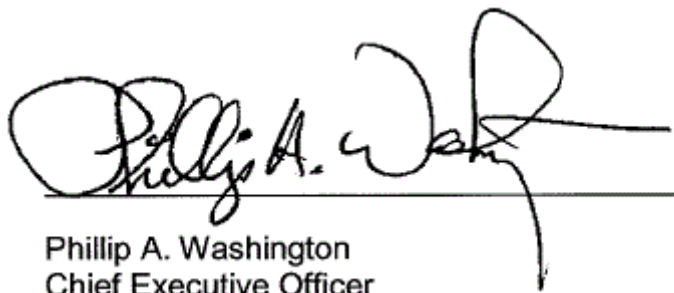

Upon Board approval, staff will execute Modification No. 9 with Prudential Overall Supply under the current Contract No. OP30002227 to continue providing uniform rental and laundry program services until the replacement contract begins.

A. Procurement Background

This Board Action is to approve Modification No. 9 to Contract No. OP30002227 for Uniform Rental Services, Firm Fixed Unit Price Contract with Prudential Overall Supply for the not-to-exceed amount of \$650,000, increasing the total not-to-exceed contract value from \$4,515,029.28 to \$5,165,029.28. This Modification also extends the period of performance from June 30, 2016 to March 31, 2017. In addition to providing on-going uniform rental services, the Contract provides laundry services for uniforms, hand towels, and floor mats.

A total of eight Modifications have been executed to date. Refer to Attachment C – Contract Modification/Change Order Log.

The purpose of the Contract Modification is to extend the period of performance to the existing contract which will allow staff sufficient time to issue another procurement for a new contract. A new contract was approved by the Board on January 28, 2016, to award to POS. POS was the only firm who submitted a bid, with a 0% SBE

commitment. As this was a non-federally funded IFB, meeting the SBE goal could not be a condition of award. The contract award recommendation complied with the California code but only included the base three-year term to demonstrate Metro's commitment to the Small Business Program and allow for an earlier re-procurement. POS has refused to sign the contract as a result of the elimination of the option terms. Therefore, staff will issue another solicitation for the reprocurement of uniform services.

B. Cost/Price Analysis

The extension pricing has been determined to be fair and reasonable. The rates offered for the extension are the existing fixed unit rates in the current contract.
